## EDMONTON COLLEGE BOYS REBELLION AT WEARING OF COLLARS

- A revolt Low against having to wear collars and hunt elusive collar buttons under beds. etc., has recently stirred the peace of the University here. It all started when an undergrad got peeved because his one and only collar button eluded him. and he had to attend classes without a collar.

The idea of freeing themselves from the odious bondage of collars, occurred to several of the students who determined to set a new fashion. They did so, and drew a fine from the university authorities. Then followed a petition asking for at least a hundred signatures, the collarless group having decided to seek safety in numbers. There is every
