ALL JOIN JUBILEE CELEBRATION

All Canada is taking part in the jubilee celebration on July 1. Harry Birch. Every city, town and village is doing something. In Prince Rupert an elaborate program has been prepared and local people are being DAMAGE CASE asked to do their part in connection with the big event. Doubtless the response will be spontaneous and the event will be worthy of the importance of the city.

Men work because they have to, but woman are not always that way and the result is they are often ill.

Why do we try to minimize the great things that people have done? Possibly it is thought undemocratic to be great. Possibly BANQUET GIVEN FOR it is jealousy that prompts us. At any rate it is the indication of a small mind. We all believe in the attributes of greatness but we try to rob the great of those very attributes which we admire or offset them by pointing out the defects in the characters of the heroes people worship.

People who are always asking for justice often get it eventually.

There have been socialists in British Columbia who struck it so rich that they left the party or were expelled.

It's a nuisance that there is no place at the top for more than a few of us.

HURRY ON by Marcovil-Toute Suite SIRE OF THREE DERBY WINNERS

Call Boy-this year's Derby Winner-is the third son of the famous sire, Hurry On. to win the historic Derby-the blue ribbon of the racing world. The other two are Coronach, last year's winner and Captain Cuttle who won in 1922. All three colts scored decisive victories. Captain Cuttle established a new track record-unbeaten until Call Boy's triumph of this year, when he covered the difficult Derby course of one mile and a half and twenty nine yards in the remarkable time of two minutes, thirtyfour and two-fifths seconds. Coronach's effort was perhaps just as outstanding, inasmuch as he won, eased up to a canter, by five open lengths over the second horse. Coronach again demonstrated his class in the famous St. Leger, by establishing a new track record after being left at the post. Hurry On's record as a sire of Derby winners has never been equalled-truly "Quality Tells".

Hurry On, Captain Cuttle and Coronach are owned by Lord Woolavington (Sir James Buchanan) founder of the firm of James Buchanan & Co., Ltd .- proprietors of the famous "Black & White" brand of Scotch Whisky. Lord Woolavington may again be justly proud of his record as a breeder of champion bloodstock and equally proud of his record as a producer of finest of Scotch Whiskies,
