It is Serious When The Kidneys Go Wrong

These letters tell of two cases in which Dr. Chase's Kidney-Liver Pills afforded the desired relief.

For about half a century Dr. Chase's Kidney-Liver Pills have been known to the public as an effective treatment for the relief of kidney ills. Before that they had been for proven in private practice. they have stood the test of And to-day they are more popular than ever before. Why? Simply because they produce the results. You know when you use them that you are not experimenting with an untried medi-

The intermediate baseball game between Elks and Native Sons last evenng resulted in a win for the Sons by 10 to 6.

The first five innings saw the Elks having things their own way and they made their total up to six. Then things began to happen for the Sons. Smith was hit oftener and the fielders dropped flies, and everything helped the Sons who kept on going till they had recorded nine runs. Quiet succeed this batting spree and Elks were retired scoreless in the first of the sixth while Sons added one more. The game was then called on account of

darkness. Bill Williscroft hit well but was not able to stretch any of his long hits for more than one base. Doug Stalker batted well for the Elks.

The result was a bit of a shocker for the Elks as they had been feeling pretty cocky with the return of Mike Budenich who once more caught for them. Teams were: Sons Slocombe c., Duncan p., Weir, Astoria, Stalker, McNulty, Stevens, MacDonald, Stiles.

HIKED FOR EAST ON SUSPENDED SENTENCE

In the police court yesterday Alexander Gow and George Dowd were charged with stealing a ride on the Canadian National Railways when they were found on the locomotive as it pulled out of the local depot. They pleaded not guilty and were remanded till the train crew should return to town. On thinking matters over they demed to change their plea and appeared before Magistrate McClymont in the afternoon. On pleading guilty they were given seven days' suspended sentence, and left for eastern points immediately on foot.

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occapation, nd improvement for agricultural

Full information concerning reguations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Applications for pre-emptions are

to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grasing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10. Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites. conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES For grazing and industrial purposes areas not exceeding 640 acres

may be leased by one person or a company. GRAZING Under the Grazing Act the Prov-

ince is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. with the Chevrolet of today and realize how radically Chevrolet has revised all conceptions of motor car value.

In 1920, the Chevrolet illustrated here represented the highest standards of quality and value . . . at a price of \$1795 (f.o.b. Oshawa) . . . over a thousand dollars more than you pay today for a Chevrolet that possesses style, luxury and refinement unthought-of in any car a few years ago.

In following its fundamental policy of constant improvement. Chevrolet has built up a production volume which places it first among all cars in the world. And Chevrolet has shared the savings of volume purchasing and production, with the public by reducing the prices of Chevrolet

So, today, you get a Chevrolet with amazing QUALITY in its every detail at a fraction of the cost of a similar model Chevrolet of seven years ago. PRODUCT OF GENERAL MOTORS OF CANADA, LIMITED
