Quality that Cannot be Duplicated at Chevrolet Price

YOUR first ride in the Most Beautiful Chevrolet will convince you that Chevrolet has done the unexpected—the unprecedented thing—in introducing a quality which cannot be duplicated at Chevrolet price.

Power that laughs at high hills and rough roads! Smoothness that thrills you with delight! Speed and acceleration that meet your every demand! Long, resilient springs that cushion every shock! Beauty that makes you proud to be seen driving such a car! A rightness about every little detail that you would expect only in much higher-priced cars!

All these things Chevrolet gives you . . . and only Chevrolet can give them at Chevrolet price.

It is scarcely surprising that the Most Beautiful Chevrolet in Chevrolet History has met with a success unique in the automobile world . . . that it has, during the four months since its introduction, achieved absolute leadership and supremacy in sales and public acceptance throughout the Dominion.

The Most Beautiful Chevrolet in Chevrolet History is now selling at new and lower prices . . . the lowest for which Chevrolet has ever been sold in Canada.

A feature of the week having been the comparative paucity of American halibut, on three days only Canadian fish being offered, landings at this port from Saturday to Friday (inclusive) totalled 458,000 pounds of which American vessels brought 232,500 pounds and Canadian, 225,500 pounds. The total for the season to date now stands at 7,534,200 pounds—5,532,100 pounds American and 2,002,100 pounds Canadian—as compared with a total of 8,999,150 pounds at a similar date last year.

The high American price of the week—15.1c and 8c—was paid on Tuesday to the Eureka for 6,000 pounds while the high Canadian bid was 14.9c and 9c to the Mildred II. for 15,900 pounds on Thursday. The low American price for the week was 12.3c and 6c on Saturday and the low Canadian—12.2c and 7c—on Monday.
