That Local Angle

The effect of getting work is told by Mrs. Wilcox in a letter to Pacific Milk. Shortly after the family came here one son got employment in a factory that depended for its market entirely upon local demand. The business grew because its Vancouver orders grew, and out of this Mrs. Wilcox says she got the idea of buying British Columbia products in whatever line they are to be had.

Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contain certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

While no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and healing commences.

FREE TRIAL Cut out this article, write across it the name and date of this paper, and mail it (with 1c. stamp to pay return postage) to Peps Co., Toronto. A free trial packet will then be sent you. All druggists and stores sell Peps. 25c box.

SUSPENDED SENTENCES NOT PERMISSABLE IN PROVINCIAL STATUTES

Altering the magistrate's decision of suspended sentence to fines of $10 in each case, Judge Young in County Court this morning dealt with two appeals brought by the crown in cases under the Game Act from Terrace.

In making his decision, the judge pointed out that, in provincial statutes, no provision was made for suspended sentences.

In the cases under consideration, the convicting magistrate had evidently applied summary convictions under the Criminal Code of Canada instead of the provisions of the provincial Summary Convictions Act. Magistrates when trying cases under provincial acts, it was pointed out by His Honor, should adhere to provincial statutory provision.

Milton Gonzales appeared for the crown in each case with W. O. Fulton for the respondents.
