Neglected Eyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to—and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

INVITATION TO MR. BOURASSA

Noted Canadian Nationalist Leader Asked to Come Here Under Native Sons Auspices

Prince Rupert Assembly, Native Sons of Canada, at its regular meeting last night, decided to extend an invitation, through the Edmonton Assembly, to Henri Bourassa, noted Canadian Nationalist leader and orator, to visit Prince Rupert during his forthcoming tour of the West. Should Mr. Bourassa come, the assembly will arrange a banquet in his honor and a public meeting at which he shall speak.

The matter of sending a delegate to the district assembly at Smithers next week was left in the hands of the president, A. J. Prudhomme, with power to act.

Instead of the regular meeting on October 21, the assembly decided to have a whist drive and dance.

A program of activities for the second Friday of each of the forthcoming winter months was drawn up as follows:

November—Debate.
December—Mock Parliament.
January—Whist drive and dance.
February—Annual ball.
March—Debate.
April—Whist drive and dance.

It was decided to enter teams in the whist and cribbage leagues.

The meeting which was presided over by President Prudhomme was well attended.

NEW BADMINTON CLUB FORMED

Another badminton club has been added to those already functioning in the city. The latest addition is at Rupert East Gymnasium under the auspices of the United Church. An organization meeting was held there last night at which officers were elected and plans made for badminton to be played in the hall three nights a week—Mondays, Wednesdays and Fridays with the exception of the first Monday in the month which is the regular monthly meeting and social evening. Wednesdays will be set apart largely for instruction of beginners. During November Mrs. Malcolm Lamb and Mrs. Woods will be in charge of refreshments. Officers elected are:

President—Walter Howarth.
Vice-President—Mrs. Woods.
Secretary-Treasurer—Wm. Horrobin.

SPORT CHAT

Under the auspices of the Central Interior Ski Club, which is to be formally brought into being at a meeting to be held in Burns Lake next week, it is planned to hold a two-day winter carnival on February 14 and 15—the first event of its kind ever to be attempted in the interior this side of Prince George. The program will include trotting horse racing, ski-jumping, running contests, hockey games, masquerade and grand ball.

Preliminary arrangements have been made in Smithers for the forthcoming basketball season. It is planned to have both ladies' and men's divisions with four teams in each league. Satisfactory arrangements have been made for the rental of the Smithers Hall and E. E. Orchard has presented a trophy for competition among men's teams and which will be required to be won by the same team for three years before becoming its permanent possession.

BADMINTON CLUB HAS ITS OPENING NIGHT BOTH COURTS BUSY

The Prince Rupert Badminton Club opened its season last night in the De Luxe Hall where it has played for several yeras past. In spite of the very inclement weather, there was a fair attendance of players and good progress was reported by those present in the signing up of members.

Miss Violet Cameron, assisted by Mrs. George Bryant, served tea and both courts were kept busy all evening.

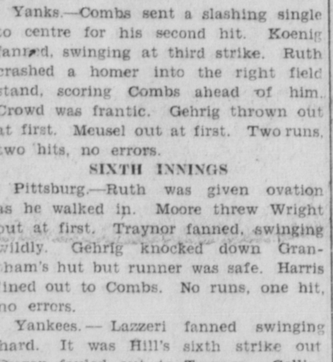

It is not yet definitely decided whether the club will continue to play during the winter in the De Luxe Hall, a committee having in hand the matter of location.

C.N.R. steamer Prince Charles, Capt. Neil McLean, arrived at 2.30 this afternoon from Vancouver via Ocean Falls and will sail at 10 o'clock tonight for Stewart, returning here to sail south at 11 o'clock tomorrow night. This is the last trip of the Charles on this run for she will be replaced next week by the Prince Rupert which is coming out of dry dock at Vancouver following repairs being made as a result of her recent wreck. Though only one passenger for the East is reported to be coming on the Charles, the train is being held pending her arrival.

Sailing from Vancouver on Wednesday afternoon, nearly four days late, C.N.R. steamer Prince John, Capt. E. Mabbs, is not expected to arrive before Monday from Vancouver via the Queen Charlotte Islands. Her sailing time is not yet set but it will probably be Monday afternoon or evening.

Motorship Bellingham, Capt. J. E. Anderson, arrived in port at noon today from Ketchikan with four carloads of frozen and fresh halibut and one carload of mild cured salmon for transshipment East over the Canadian National Railways.

J. D. Skinner, editor of the White Horse Star, was in the city this morning on his way north.
