The Well-Managed Home

THE manager of a household is the purchas-

ily needs. In order to do a good job she must

know what, when and where to buy. She

must study goods and the concerns which make

goods and have them to sell. She must put her

home on a business basis and run it on bus-

iness principles in order to make the most of

purchasing. And the right way to get the great-

est amount of necessary information is to read

in merchandise. They reveal improvements and in-

ventions to make your home life easier, more com-

fortable and more convenient. They give you in-

formation about a thousand and one things that are
