Strains Bruises

For Sprains and Strains, rub with Painkiller every two hours until pain subsides. Keep injured part at rest. Then wrap bandage soaked in Painkiller around affected part; cover with dry cloth. Renew twice daily until well. For Bruises, raise bruised part if possible. Apply first, cloths wrung out in ice-cold water; change often to keep cold. Then wrap with bandage soaked in Painkiller.

DAILY EDITION.

Tuesday, April 5, 1927 for that purpose.

GEORGE CLOTHIER TRANSFERRED SOUTH.

In the departure of G. A. Clothier, resident mining engineer for the northwestern mineral survey district, whose transfer from ings of the city would be heated by Prince Rupert to Nanaimo has been announced, this district will one plant. lose an efficient and popular official of many years standing. Interested in mining at Stewart before he assumed his official posi- of as a suitable location for the build- able to fish two days on account of tion, Mr. Clothier has come to be looked upon as something more ing of a library, to which Ald. Stephens bad weather. During that time the than a mere official to prospectors and operators alike. He has replied that it was the first he had fishermen landed 20,000 pounds of halfever been generous with his advice for all those interested in the heard of the matter. industry and there are few who have accepted his ideas that have Greer favored the site aat the corner of been led astray. His departure will be a matter for general regret Sixth Avenue and McBride. and it is to be hoped that a successor of something like his stamp it being possible to use either site. will be obtainable. What will be this district's loss will be a gain would the city be disposed to make a for the large and important area, embracing Vancouver Island and grant of either one of them for the the Lower Mainland, over which he is about to assume charge.

MISS SUSIE HADDOCK SPEAKS OF CHINA.

Miss Susie Haddock, whose interview was published in the Daily News yesterday, sees nothing but hope in present conditions part in the discussion. Ald. Perry in China. Her attitude, in the face of less hopeful reports that have favoring the site by the Fire Hall, Ald. been received, was both refreshing and encouraging. That her Linzey approving of the site at the CALGARY HAS FAMOUS prediction that China will shortly evolve peaceful and rightly or- corner of Sixth and McBride and Ald. ganized in the near future may materialize is the hope of the world. Larsen suggesting that consideration

HE WHO LAUGHS LAST LAUGHS BEST.

UNSWEETENED

Though seldom admitted by the daily press of Vancouver (possibly because the minister hails from Prince Rupert) Hon. report on whether it was possible to Thomas Duff Pattullo, minister of lands for British Columbia, pos- use the site at Sixth and McBride sesses one of the best minds in this province's government or in any without violating the terms of other government, says the North Vancouver Review.

There have lately come to the fore two examples of his keen granted a ninety-nine year lease on insight into public affairs. Sunday the report of the engineers of the property. the transcontinental railways was published. It recommended simply an Alberta outlet from the Peace River country and virtually CITY COUNCIL TO ignored the Pacific Great Eastern.

Mr. Pattullo was quick to spike it and brand it "biased." It was almost bound to be so, coming from the source it did. But it takes a courageous cabinet minister of any provincial government to say so.

Then there is Valhalla. As usual, he who laughts last, laughs

Mr. Pattullo, as is well known, sold the Valhalla block of University endowment lands for three hundred thousand dollars. Point Brown and Ald. Jos. Greer being passed Grey, in horror, objected to the use the land was to be put to; its unantmously at the meeting of the representatives promised to put a by-law to the people for the pur- city council last night. chase of the land for a golf course, and the government called the In a letter from the Parent-Teachers' arranged sale off.

Point Grey failed to purchase the land. Mr. Pattullo then to the Board of Trade and passed on by Biggar, a half breed, refrained from ex- pregational churches was consummated. called for tenders for the sale of this same land. Months have passed and not one tender has been received.

Now the province as a whole is out three hundred thousand dollars. Again, as in the instance of the formation of the water Teachers. In the letter of the Board completing a thirty day incarceration board and the Capilano timber lands deal, Mr. Pattullo has known of Trade to the city council it was in- for his neglect. what was good for the public, better than has the public itself.

HEARS DELEGATION AND DECIDES TO GO FURTHER INTO MATTER

meeting of the city council last night Ald. G. P. Tinker asked that a delegation from the gymnasium and swiming tank committee be given an opportunity of addressing the council. The request having been granted, Dr. F. P. Kenny spoke briefly on behalf of himself and Earl Barrie who had been

asked to meet the council. Dr. Kenny said that the gymnasium committee had held several meetings and had decided that it could not do much until some decision had been made in regard to a site. He understood that the city engineer had been \$1.00 asked to make a report on various sites and asked if the council had reached!

understood the request of the council. 25c suited for the purpose. The plans 2c which he had just recently received 15c were not sufficiently far advanced to enable him to decide. In speaking of suggested sites, he informed the council that he understood the site at the corner of Sixth Avenue and McBride could not be used for the building according to the terms of the agreement

Alderman Stephens favored the site at that corner as being in the geographical centre of the city and thought that the city solicitor might find out if it were not possible to use the land

SITES DISCUSSED

Ald. Jos. Greer asked as to a site back of the Fire Hall. It was near to the centre of population and might later be included in a general scheme of heating by which the various build- of war exists with Germany.

erection of the building?

The mayor favored the project which had been talked about for some considerable time. He was of the opinion that something should be done to assist the undertaking.

should be given to Acropolis hill.

Finally on motion of Ald. Jos. Greer. secnoded by Ald. Linzey, the council asked the city engineer to report on the various sites, and the city solicitor to agreement whereby the city

BRACE OF TRIPLETS

Constable Morrison's Family Attracts More Attention Than Prince of Wales and Princess Elizabeth

CALGARY, April 5. - To Constable and Mrs. Morrison of this city, came the triplets recently. It is very doubtful was if even the Prince of Wales or Princess Elizabeth received the same publicity and attention at their age, six days. They have been discussed in the corridors of the legislature, paragraphed in an Edmonton daily, and made recipients of \$30 collected for them by the Rotary Club who has also started a bank acuntil they become of age.
