NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

## FOR MEASLES

INFESION OF PARENTAL BLOOD EF-FECTIVE SAYS GERMAN DOCTOR

WASHINGTON, D.C., April 5.-Infusion of a few drops of parental blood into a child will prove an effective preventative against measles, believes is Dr. Rudolph Degkwitz, director of the guaranteed not to scratch the clinic for children's diseases at the

on a measles serum at the hygienic laboratory of the United States Public Put up in glass jars at Health Service, and ranks as one of 35c, you get enough to last Germany's foremost authorities on measles, asserts:

Also good for Cut Glass "It is a well known fact that the blood of a former victim is proof against subsequent infection and, as it is commonly assumed that every adult person once was afflicted with measles, its blood carries the natural germ which ensures immunity against a second attack. Its transfusion into the child has proven, in Europe, an effective protection against an initial case of meas-

Until this simple expedient becomes thoroughly appreciated and adopted. however, he thinks, it will be necessary to provide a serum for commercial distribution, so his work at the hygienic laboratory has been directed toward the preparation of a culture from the blood of inoculated animals. He expects the serum thus produced to check measles even if the patient has already reached

INTERESTING DISCOVERY RECENTLY MADE BY DIRECTOR OF CANA-DIAN SCHOOL

TORONTO, April 5 .- Canadian geologists have discovered that the Eskimo, now confined to the Arctic Circle, originated in Southern France. The director of the Canadian School of Pre-History, Dr. Henry M. Ami, F.R.G.S., [ F.R.S.C., and a number of enthusiasts recently found a number of skulls. Market prices prevailing here tod bones, and weapons in the south France, which they say leave no doub as to the origin of the Eskimo. Why the Eskimo is now living in suc

Gold Mining Co., Ltd. of Telegraph Creek was set for May 19, subject to further adjournment. W. E. Fisher is Fulton for the defendant.

Dragland, Seattle.

thing, including trouble.

IN THE SUPREME COURT OF BRITISH COLUMBIA.

Re PRINCE RUPERT HYDRO-ELECTRI COMPANY LIMITED

SALE BY ORDER OF THE COURT TAKE NOTICE that pursuant to the order of Mr. Justice D. A. McDonald lated the 18th day of February, 1927, in bondholders' action intituled In the preme Court of British Columbia between The Royal Trust Company and Prince Rupert Hydro-Electric Company Limited and others, being R.1602 1916. brought to enforce the trusts of an indenture dated the 30th day of June. 1911, tenders are invited by George Edward Winter the Receiver appointed by an order of this Court dated the 15th day of September, 1916, and the decree Oc day of November, 1916, for the purchase of all the remaining properties and assets of the said Company. The said properies are described as follows: That certain parcel of land and

premises situate in the Province o British Columbia more particularly described as Lot 635, Range 5, Coast Dis-That certain parcel of land and scribed as Lot 1386, Range 5, Coast District, containing 37 81 100 acres more or less, excepting thereout a strip of land one chain in width measured from highwater mark.

That certain parcel of land and premises situate in the Coast District rovince of British Columbia, and more particularly described as Lot 695, Range containing 32 50 100 acres more or

rainage areas rainfall and runoft data, signs of dams, power plants, transmission lines and receiving station for Falls and Khatada Rivers development,

The Receiver is informed that the above lands parcels 1, 2 and 3 were seected by the engineers of the Prince Rupert Hydro-Electric Company Limited

640 Pender Street West, Vancouver, B.C.

### PENSION ACT

or less individual, but there are many such in Canada today," said J. C. Brady, speaking in the House of Commons recently on a Pennion Act amend-After they came back from the war they of years, and when they did apply it was too late. I realize that if the law were left wide open, many would apply who might not deserve a pension; nevertheless these men to whom I refer were the colors when the country needed them, and because they did not apply for a pension within a certain period after their return, today some of them although incapable of working, are out-

cause I believe in the statute of limitacases should be considered. Some of i these returned men today are physically unable to carry on even the common functions of life. Surely the government should listen with respect to the advice of the medical authorities who vouch for these cases and provide some relief
