SPORT CHAT

Events scheduled for the week are as follows:

Monday (tonight) — Cribbage League: Grotto vs. Native Sons of Canada; Canadian Legion vs. Knights of Columbus; Loyal Orange Lodge vs. C. N. Mechanics; New Empress Hotel vs. Moose; C. N. Operators vs. St. Andrew's; Prince Rupert Hotel vs. Cold Storage.

Elks' Whist tournament.

Basketball: Senior League—Grand Terminals vs. Native Sons of Canada; Intermediate League: Elevator vs. Big Four; Junior League: Stars vs. Tuxis Boys.

Tuesday—Ladies' Whist: Moose Ladies vs. Canadian National Ladies; Orange Ladies vs. English Ladies.

Billiards: Grotto vs. Maple Leafs.

Thursday—Whist League: Seal Cove vs. Knights of Pythias; Native Sons of Canada vs. St. George's; St. Andrew's vs. Grotto; Moose vs. Oddfellows.

Friday—Billiards: Gyro Club vs. Grand Terminals.

Basketball: Senior League—Elks vs Native Sons of Canada; Intermediate League, High School vs. Big Four; Ladies' League: Drill Team vs. High School.

So as not to interfere with the staging of the play "Adam and Eva" by the Prince Rupert Players' Club, basketball games scheduled for tomorrow night will be played, instead, this evening. Interest will centre in the Senior League where another exciting session will, no doubt, be forthcoming. The leading Native Sons of Canada will meet the Elks and a lively tilt for the league leadership is promised. Should the Canucks win, they will be well away with a margin of four points. Should, however, the Antlered Herd emerge victorious, the thing will be tied up with both teams even. There are many who believe that it is time for the Lodge Men to get the breaks of the luck to put them over. A game just as close as the last two Senior League affairs which were won by margins of one point is anticipated. Completing the program will be an Intermediate League game between Big Four and the Elevator and the Stars and Tuxis Boys in the Junior League. There will be but four more sessions before the first half of the season is completed. Every game will, no doubt, be fought hard and closely followed.

The Prince George Curling Club has already started its winter activities which will be continued from now until spring with a two weeks' suspension over the Christmas and New Year holidays. Ladies as well as men will actively engage in the sport. The annual bonspiel will be held on January 26, 27 and 28.

While ideal conditions have been prevailing for ice making, all efforts to coax water on to the new rinks at Smithers during the past week have failed. Gasoline engines, pumps, Ford cars; all have proven in vain. Latest talk is to sink wells in order to provide water for both the skating and curling rinks.

A badminton club has been organized at Hazelton, play to take place Wednesday and Saturday evenings. Visitors will be permitted to play at a nominal fee per night. The officers of the club are: president, Rev. T. D. Proctor; vice-president, Miss Moffatt; secretary treasurer, A. M. MacKay; executive—Mrs. W. W. Anderson, S. J. Winsby, Mrs. C. W. Dawson and Mr. Kincaid.

William Goldbloom returned to the city on last night's train from a brief business trip to Hazelton.

SCRAPED HAND ON ROCK AND FOUND HIGH GRADE ORE

STEWART, Dec. 3.—The recent important silver discovery on Silverado property, near here, was made when one of the men on the property grasped hold of the rock to hold himself when traveling over a spot where the footing was not good. He left that peculiar rasping that comes when one touches rock carrying heavy values in silver.

The Stewarts of Victoria, the principals in Dunwell, are backers of Silverado. Where the discovery was made was near tidewater. In the early days of the camp, rich silver float was found at the foot of the hill, but prospecting failed to reveal its source. At that time, 20 years or so ago, the place where the find was recently made was covered with glacial ice. Since then, however, the ice has gone. Rainier claim of the Silverado group, was one of the first claims staked in the Portland Canal district.

A SKATING INVITATION TO THE AUDITORIUM

You are invited to visit the Auditorium, where roller skating, the most exhilarating of sports, is demonstrated every day from 2 to 4 and from 8 to 10. Skating comes nearest to flying and anyone who can walk can learn this graceful exercise in a couple of sessions and after that manipulate these little vehicles alone. Join with the happy parties who throng the floor of the Auditorium every evening spinning around on the rollers which run as smooth as if on velvet.

Most people require some exercise and this is one that affords a complete change from that given by our daily labors. Exercise is as necessary to health as sunshine is to the flowers. Thousands have learned to skate at the Auditorium since it was opened. Many are still skating there and are all the better for it. And those who have yet to learn need have no fear, for the instructors would not let you fall even if you wanted to. After a few sessions you will be able to mingle alone with the happy crowds, swooping and gliding like birds in the air over the large floor which is always in perfect condition. Come tonight! Advt.
