SUPPLY WATER TO ALICE ARM

Syndicate's Plans Endorsed by Meeting at Northern Mining Camp

ALICE ARM, Dec. 21.—Alice Arm will shortly enjoy the use of a modern light and water system, if plans now under way come to fruition. These plans will be put into operation and B. C. Marsh, who represents a syndicate of Fupert and Vancouver capital, who was here this week, discussed before a representative gathering of the citizens of the camp and district their proposition.

The proposal calls for the taking and use of fifteen second feet of water from Falls Creek, which flows into the Kitsault River about a quarter of a mile north of the camp, the erecting of a power house on the flats, and the putting in of water mains to supply the town with water.

The method of fixing the rates to be charged for light and water was to be by a representative of the syndicate, a representative of the district, and with the government sanction.

The probability that the plant will only be able to dispose of a minimum amount of its electrical output during the next few years, and that its operating costs against its investment will thus be greatly enhanced, was brought out at this meeting and further it was shown as this being an unorganized district, and no grants looking towards the easement of operating costs could be granted by the district, the meeting went on record by a resolution that the government should be asked to consider granting or fixing the price at a minimum figure of a power site on the Indian reserve ground, which the government now owns, and also, to give further consideration to the fixing of rates of taxation on the plant and fixtures until such time as the operating costs would show a profit.

Mr. Marsh stated that the syndicate was duly organized and financially able to carry the project through to completion. Present plans call for the beginning of early construction, and to have the plant completed and in operation by late summer.

NEW COMPANY FOR ESPERANZA

Alice Arm Mine to be Operated With Renewed Vigor During Coming Year

Operations at the Esperanza mine will be considerably extended during the coming year according to present plans, says the Alice Arm Herald. The management of the mine have successfully effected a reorganization, a new company having been formed with a capitalization of $500,000.

It is understood that one of the first things undertaken by the company will be the installation of a power plant. A compressor has already been purchased and is ready for shipment when required.

N. Fraser, who is in charge of operations at the mine states that the mine is looking good.

A meeting of the board of directors will be held at Prince Rupert in the immediate future. At this meeting future plans for operating the property will be made, and a new secretary elected to take the place of Mr. Murray who recently left for the south.

Formerly the Esperanza was owned by a syndicate of Anyox men. Later Prince Rupert men were interested, but not enough money was available for operations on a scale large enough to pay dividends. With the expansion of the company it is expected that ample funds will be available for the conducting of operations on a larger scale.

The Esperanza has shipped a large quantity of high grade silver ore, and it is the opinion that the ore bodies have only been scratched. It is ideally located for cheap mining, being only about two miles from the government wharf.

MINING DINNER AT SMITHERS THURSDAY

Arrangements have been completed by the executive of the Omineca branch of the British Columbia Chamber of Mines for the holding of a mining dinner on

She Coughed Night and Day Could Not Sleep

Mrs. Leonard Haywood, Victoria Corner, N.B., writes:—"Last fall I took an awful cold which I caught while driving in an open car on a cold day.

"I coughed night and day, could not sleep at night, and my eyes ran water so that I could hardly see a thing.

"My husband got me a bottle of

Dr. Wood's Norway Pine Syrup

and before I had taken the whole of it my cold had disappeared."

"Dr. Wood's" has been on the market for the past 39 years; price 35c. a bottle, large family size 60c.; put up only by The T. Milburn Co., Limited, Toronto, Ont.

he occasion of the annual general meeting of that organization. This will be held in the Bulkley Hotel at Smithers on Thursday, December 29, at 8.30. It was decided to throw open the dinner to other than members of the organization and a large attendance is looked for.

SPECIAL CHRISTMAS SAILING FOR SOUTH

In order to accommodate those desiring to go south for Christmas, Canadian National Steamships announce that the ss. "Prince Rupert" will sail southbound Thursday, December 22, at 10.00 p.m. instead of on the regular schedule Friday morning. This boat will arrive Vancouver 9.00 a.m. Saturday, December 24, making connection with boats and trains for Victoria and Seattle.

In order to perform this service, this steamer will sail for Anyox and Stewart at 4.00 p.m. Wednesday, December 21, instead of the usual sailing hour of 10.00 p.m., returning from the North, arriving here 7.00 p.m. Thursday, December 22.

Accommodation on southbound sailing is fast being taken up, and it is suggested those going South, make reservations early at City Ticket Office, Third Avenue. Phone 260. 299

Dr. Joseph Gosse sails this afternoon on the Princess Mary for Vancouver and Victoria where he will spend the Christmas and New Year holiday season visiting with relatives and friends.

HIGH SCHOOL STAGES SHOW

Splendid Entertainment Last Night and Tonight Reflects Credit Upon Teachers and Scholars

Consisting of three dramatic sketches, vocal and dancing numbers, minstrel show and choruses by the school choir, the entertainment by pupils of the Prince Rupert High School in the auditorium of Booth Memorial School last night was a great success, the audience which filled the hall to overflowing being well satisfied and highly pleased with the performance. Thomas Peddie, principal of the High School, presided and, in making opening remarks, thanked Miss E. A. Mercer, principal of the Booth Memorial High School, for the use of the hall, the facility having been offered at some difficulty to herself. Mr. Peddie also expressed his gratitude to members of the High School staff who had been unstinted in their efforts at a difficult time to make every item on the program a success. He referred to the fact that the entertainment had followed a strenuous week of examinations, rehearsals having been carried on at such odd moments as presented themselves. He, therefore, asked the indulgence of the audience in overlooking any defect that might occur.

Miss M. I. Jackson was responsible for the direction of Grade 11 play which was a great success, keeping the crowded audience amused throughout. Outstanding characters were Miss Bernice Goss as a scullery maid and Miss Victoria Krikewsky as a parlor maid. Miss Jackson also had charge of the doll dance, which was one of the outstanding numbers on the program and in which the dancing of the girls could only be characterized as superb, as well as two vocal items.

Miss W. D. Rushforth had charge of the French play presented by Grade 12. This is probably the first time that such a performance has been attempted in Prince Rupert. It was very successful and proved highly popular. Excellence of enunciation and acting was shown by practically every member of the cast, outstanding among whom were Misses Mry Clarke, Dorothy Patmore and Rosemary Winslow. The Grade 9 play, under the direction of D'Arcy Marsh, was equally well performed, despite the short notice at which it was gotten up. It was the dramatization of a story by Oscar Wilde in which Miss Annie Gilchrist and Miss Joan Arthur especially distinguished themselves.

Another item deserving of special mention was the minstrel show organized by the boys of the school. This kept the house in roars of laughter, the singing of Bruce Stevens being a feature.

Choruses at the beginning and close of the program were rendered effectively as well as the vocal numbers.

THE PROGRAM

The program of the entertainment, which will be repeated tonight, was as follows:

PART I.

School Choir: "Songs of the Nations."
(a) "O Canada."
(b) "Ye Mariners of England."
(c) "All Hail to Thee Cambria."
(d) "The Dear Little Shamrock."
