At the ancestral Hernandez ranch in South America, Don Francisco's fortunes are ebbing through the depredations of his ancient enemies the Oliveros. All these years he has believed that the grandchild born in San Francisco is a boy and in his hour of need he sends for the "grandson" whom he has never seen. Bebe resonds believing that her grandfather America, and realizing her grandfather's need, she impulsively dons the garb of a swashbuckling caballero and appears before him as the boy he believes her to be.

With her background of sports, and with her skill in riding, shooting and mencing; with her high courage and her impulsive daring. Bebe enters en-

thusiastically into the spirit of the situation. Rallying around her the caballeros of the Hernandez household and the vaqueros of the rancho she brings confusion upon the Oliveros in a series of sensational episodes that recoup the fortunes of the family, and restore to the Hernandez name the repute it had seemingly lost.

In the meantime, Roger Oliveros, son of her grandfather's ancient enemy, returns from Europe wholly unaware of the extent to which his cousin Ramon has outraged the precepts of family honor and has descended to virtual banditry and cattle rustling. Bebe's courageous replevining of the Hernandez property is presented to him as sheer outlawry, and he vows eternal

A heart-gripping picture with undeniable audience appeal, "Stella Dallas" easily registers as one of the season's most poignant screen studies in human emotions. It is well directed, beautifully photographed, cleverly acted and strikes the key-note of sincerity with unfaltering touch. The hapless Stella is so clearly the victim in of temperament and environment that she gets sympathy even in the early stages of her career when she pursues the giddy course that ultimately wrecks her home. And none will refuse her the tender grace of pity that at last, rescue, not in sembrero and chaps, but gruff cop bids her to "move-on." Noth-
