Neglected Eyes

NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to—and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

EVERY BUILDER THAT YOU MEET SAYS OUR LUMBER CAN'T BE BEAT

LUMBER PUBLIC APPRECIATION

Ask the master builders of this town where to go for lumber and they will turn your footsteps in this direction. They maintain that the kind of woods we sell is the sort that should be put into a building that is expected to live to a ripe old age.

TENNIS COURT SITE GRANTED

ROTARY CLUB GIVEN PERMISSION BY COUNCIL TO PUT IN FACILITIES ON SIXTH AVENUE

A delegation consisting of Col. S. P. McMorde, W. J. Earl Barrie and Dr. H. L. Alexander, asking, on behalf of the Rotary Club for permission to establish two tennis courts for young people on city property at the northeast corner on Sixth Avenue and McBride Street, was given a favorable answer by the city council last night.

The request was introduced in a letter from W. J. Earl Barrie, chairman of the boys' work committee of the Rotary Club, which stated that there was an increase in the number of boys and girls taking up tennis but that facilities in the city were inadequate. The club asked permission to erect two or more courts on the site referred to without any expense to the city. It was proposed to form a junior tennis club after the courts had been built.

Speaking to the request, Mr. Barrie pointed out that there were only three courts in the city and these were used by adults to capacity. If its request for a site was met, the Rotary Club planned giving tennis facilities more exclusively for the younger people. The originator of the proposal was Col. McMorde whom Mr. Barrie called upon to address the council.

Col. McMorde referred to the fact that, in many cities, the municipalities stood the entire burden of providing such recreational facilities. The Rotary Club was, however, cognizant of the city of Prince Rupert's financial position and the city was being asked only to grant the site, the club to do the rest. With the club taking some ninety feet immediately next to the Masonic Temple, a ground some 100 by 135 feet would be left which it was felt would be adequate for the continuance of junior sports such as baseball and football. It was by no means the desire of the club to displace these youngsters. This year the club was prepared to put

Headache Made Her So Sick She Could Not Work

Miss Lola White, Cape Bald, N.B., writes: "I suffered severely, for a long time, with a bad headache. It would ache and ache until it made me so sick I could not work at all. A friend recommended

and after using a few bottles of this medicine I feel that I cannot recommend it too highly to all those who suffer from headache of any kind."

For the past 48 years B.B.B. has been put up only by The T. Milburn Co., Limited, Toronto, Ont.

In and equip two courts. If they proved popular, the club would undoubtedly extend them later. If it was found otherwise, they could be removed. The club desired an answer as soon as possible so it could proceed with the work.

PROJECT APPROVED

Ald. Perry approved the project and moved that the request be granted. Ald. Linzey, on being informed by Col. McMorde that the courts would have cinder ground, seconded the motion.

Ald. Larsen, Ald. Brown, Ald. Jos. Greer and Ald. Tinker felt that there would be plenty of room left for junior sports and so favored the granting of the site so the Rotary Club could proceed with its work.

Ald. Stephens was not satisfied that there would be room left for the other sports, and he was not in favor of the council granting the site till that point was ascertained. If there would be room left, it was all well and good for the tennis courts to be put in. If not, he felt the Rotary Club should look elsewhere for a site.

On the motion being put, all except Ald. Stephens voted in favor of the site being granted.

GROTTO WINS IN BASEBALL

OVERCAME LEAD AND CAME OUT ON TOP OF SONS OF CANADA IN INTERMEDIATE LEAGUE ENGAGEMENT

Four pitchers figured in last night's Intermediate Baseball League batting bee which the Grotto, making its first appearance of the season, won 16-12 from the Native Sons of Canada. Three moundsmen were hit freely and fielding was not all that could be desired. However, there was lots of fun for the fair crowd of fans which was in attendance for the two hours the seven-inning match was in progress.

The win of the Grotto was something in the nature of snatching victory out of defeat for the Sons had a 12-3 score over them at the end of the second frame. Dido Gurvich was batted out of the tobaccoists' box and Jack McNulty took up the task, holding the Sons scoreless for the remainder of the game. In the third inning the Grotto men found their batting eyes and forced Slocumb from the box for Alex Duncan who came from the benches. It was too late, however, for the Sons to retrieve themselves and when the smoke of battle cleared the Grotto was out on the long end.

Will Lambie umpired balls and strikes and Cecil Downie presided on the baselines. The teams were: Grotto—Spiro Gurvich, c.; J. McNulty, p.; Poll Howard, 1b.; Doug Stalker, 2b.; Dido Gurvich, 3b.; Nick Chienoski, ss.; Barney Lundquist, lf.; George Howe, cf.; Ernie Ratchford, rf.

Native Sons—J. Nelson, c.; A. Slocumb, p.; C. Thompson, 1b.; B. Wakefield, 2b.; Vincent Meagher, 3b.; Jim Parker, ss.; Rich Mortimer, lf.; A. Donald, cf.; Melvin Stephens, rf.; A. Duncan, p.

The biggest hits of the game were two baggers.

DEMPSEY IS OUT OF HORSE RACING GAME

Sells Horses After Having Made a Profit of \$7,500 From Them

NEW YORK, May 31.—Jack Dempsey is out of the horse racing game with a profit of \$7,500 according to George Coburn, his trainer, who has bought the ex-champion's horses and will continue to race them under the name of Canyon Stables.

The principal money winner of Dempsey's string was Old Kickapoo who won several races after being purchased for \$3,600. Dempsey never went to extremes in betting on his horses, Coburn says, his wagers averaging less than \$200. His biggest plunge was \$500 on Old Kickapoo at 6 to 5.

Although he is selling his racers, Dempsey likes horses and plans to come back with "a bigger and better stable," he told Coburn over the telephone from California. The wish to get rid of all excess baggage in his attempted comeback to the ring is given as his reason for disposing of them now.

SPORT CHAT

Grand Terminals and Regiment will battle at soccer tonight for their first credit count in the Stuart Shield series. Two games have already been played and tonight's contenders have each been beaten by the Moose. There is plenty of speculation and the supporters of both sides are confident. A good game of football, well worth seeing, should ensue. Perhaps, soccer fans will turn out in force for the first time this season.

The Regiment will line-up the following team in the Stuart Shield football game tonight against the Grand Terminals: J. Sim, F. Hunter and C. J. Norrington; A. Strachan, G. P. Thiller and J. Harris; P. Doherty, J. S. Wilson, F. Russell, P. Perry and W. Wallace. Reserves—R. Mortimer and S. Wilson.

Though in male circles difficulty is being experienced in getting started. Anyon ladies, both married and single, are practising already for their annual baseball argument. Both have a strong line up and are confident of victory. Every year to date, the single girls have won consistently but the lady benedictines are very hopeful of turning the tables in 1927. June 8 is the date set for the contest.

Te soccer season is well under way

WATER NOTICE DIVERSION AND USE

TAKE NOTICE that Gossie Packing Company, Limited, whose address is Vancouver, B.C., will apply for a licence to take and use 250,000 gallons of water out of unnamed stream which flows northerly and drains into Green Inlet about 30 chains east of northwest corner of Lot 68, Range 3, Coast District. The water will be diverted from the stream at a point about 200 feet from mouth and will be used for domestic and commercial purposes upon the land described as application to lease by applicants. This notice was posted on the ground on the 2nd day of April, 1927. A copy of this notice and an application pursuant thereto and to the "Water Act" will be filed in the office of the Water Recorder at Prince Rupert. Objections to the application may be filed with the said Water Recorder or with the Comptroller of Water Rights, Parliament Buildings, Victoria, B.C., within thirty days after the first appearance of this notice in a local newspaper. The date of the first publication of this notice is April 21, 1927.

CITY COUNCIL GIVES GYRO CLUB SITE FOR FOURTH PLAYGROUND

On motion of Ald. Perry, seconded by Ald. W. J. Greer, the city council last night granted the Prince Rupert Gyro Club a site, 100 feet square, on the south side of the Exhibition Hall road between the Prince Rupert Tennis Club's courts and Summit Avenue for the installation of its fourth children's playground in the city. Ald. Perry reported verbally the decision of the board of works in response to the service club's application last week for a site. The city is to be put to no expense either in preparing the ground or installing the equipment.
