KISPIOX LIFTS SOCCER TROPHY

Interior Players Defeated Their Smaller Greenville Opponents 4-1 Yesterday

The larger Kispiox players outweighed and outclassed their opponents in the final of the Exhibition native football championships yesterday afternoon and lifted the cup from Greenville, last year's holders, by a score of 4 to 1. It is the first time Kispiox has had the cup although it has tried several times for it. The winners scored three goals

ONTARIO EXAMPLES

In the province of Ontario, in addition to the vast industry and employment resulting from power industry development of Niagara, Nipigon and other sites, the whole mining industry of the province is carried on with the aid of water-power, without which the large production of gold- silver, nickel and copper would be impossible. Water power in conjunction with forests has not only made possible a large pulp and paper industry, but is responsible for the creation of new communities such as Iroquois Falls, Kapuskasing Smooth Rock Falls, Espanola, Dryden and Sturgeon Falls and has also added Aquitania Oct. 5, 26, Nov. 16 largely to the industrial welfare of Transylvania. Sep. 17 Cameronia. Sep. 24 many other Ontario cities and towns.

In Manitoba, Winnipeg and district owes much of its healthy expansion to the low-cost power provided by the mills at Fort Alexander. In British Columbia, where water-power makes heavy contribution to the prosperity from local agent or Company's Offices, 622 of the coast and inland cities, new towns have been created by the pulp and paper industries at Powell River and Ocean Falls; whereas on the Atlantic coast a new community in Nova Scotia has come into being in connection with a pulp and paper enterprise at Sheet Harbor, and the development ficial effect on the centres of populaton in that part of the latter pro-

PRE-EMPTIONS Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occapation, and improvement for agricultural

purposes Full information concerning reguations regarding pre-emptions is given in Bulletin No. 1, Land Series, 'How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be ob tained from the Land Commissioner Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received

For more detailed information see the Bulletin "How to Pre-empt

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grasing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands." Mill, factory, or industrial sites on

timber land, not exceeding 40 acres. may be purchased or leased, the conditions including payment

HOMESITE LEASES

Unsurveyed areas, not exceeding 30 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES For grazing and industrial purposes areas not exceeding \$40 seres may be leased by one person or

GRAZING Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers.
