There were four good games of basketball last night, each match being well contested. An all-star Senior team played an all star team from the Junior League as a practice match in anticipation of the meeting with a Port Simpson team on Friday night of this week for the championship of Northern B.C.

The Maple Leafs were defeated by the Colts again last night although the game was not at all one-sided with each team playing a good game. The Junior game was fast and well contested with the teams showing great improvement since the opening of the basketball season. If no postponed games are played the league schedule will come to an end on March 18.

By defeating the Bankers, the Grotto cinched the Intermediate League championship.

Babe Ruth's contract with Col. Ruppert calling for \$75,000 a year will place him next to Gene Tunney this year in the sporting world as a money maker. It is suggested that this year, Tunney, from all cources, will draw down about \$1,000,000, while the Babe will receive handsome returns from his sporting articles and theatre contracts in addition to his salary.

Elimination games are now in progress throughout Canada to determine the amateur hockey teams which will meet in Vancouver to decide the senior amateur hockey championship of Canada, and the future holders of the Allan cup. Great interest is attached to these games as the winners of the Allan cup will probably be Canada's choice to go overseas next year for the Olympic games.

That man Charley Gorman of Saint John, N.B., is a wonderful man. Winning outdoor skating races right along everywhere he winds up his campaign in Pittsburg as one of half a hundred skaters from all over America and wins all the indoor honors that can be had also. He led the field in the International Indoor Speed tournament with a 150 points and came first in every major event on the men's program of the two days' meet with the exception of the three mile race in which he did not take part. The second as to points in the meet was Percy Johnson of Toronto with 60 and the third Lloyd Greenther of Detroit with 40.

The Canadian women stars also did very well and Miss Leila Brocks was first with 90 points. Margaret McBride from Toronto was second with 70 points and another Canadian girl Jennie

"WEDDING FANS" NUISANCE

There are so many women in Londo

with nothing to do most of the day Mile. Cecile Sorel, the French actress, that they have become a nuisance at fashionable weddings, say the police. St. George's, Hanover Square, the favorite church for American weddings, was so overrun with these "wedding fans" at the marriage of Miss Joan Southey and the Master of Falkland, that ushers and the police guards were pushed about and the church stormed when the bride appeared. Authorities will take measures for the avoidance of such scenes in the future.

NOW THE "NURSE-CHAUFFEUSE"

Kensington Gardens, the fashionable parade in London for baby carriages containing children of wealthy parents, is being gradually deserted. It appears that many of the youngsters require something more than an airing in pram or with a nurse these go-ahead ays and demand they be taken out in a motorcar. This in turn has created 'demand for the "urse-chauffeuse' and many such are being engaged to drive their young charges about in the daytime.
