The World's Favorite Milk

CARNATION Milk could not be the largest selling brand of evaporated milk in the world did it not appeal to more people than any other brand. And it *does*. It appeals because of its wonderful smoothness and richness, its purity and uniformity. Carnation quality is tested and protected right from the cow to your pantry shelf.

Carnation is the most completely useful milk you can buy. Use it undiluted in place of cream at one-third the cost of cream. Diluted, Carnation adds richness to all cooking and is superior for other milk uses. Carnation *is* pure, fresh milk — evaporated to double richness and kept safe by sterilization. Order several tins or a case of 48 tins from your grocer.

Send for a free copy of Mary Blake's Cook Book. Address Carnation Milk Products Company, Limited, Aylmer, Ont.

CARNATION COCOA FUDGE—Three cups granulated sugar, 2 tablespoons cocoa, 1 pinch salt, ¾ cup Carnation Milk, 1 tablespoon butter, 1 teaspoon vanilla, 1 cup nut meats. Mix dry ingredients with Carnation Milk. Boil without stirring until candy makes a soft ball when tested in cold water. Add vanilla and butter. Set aside until cold. Then beat nuts in candy. Knead fudge like bread dough. Press down in buttered tins and mark in squares. The chilling and kneading of the fudge make it deliciously creamy. It never is grainy or too hard.
