Charge of Cape May Bureau

youngest official observer in the government service, government records reveal. She is Miss Dolores Dorman.

Miss Dorman is the official "weather man" at the Cape May Bureau. Although she was just recently appointed. she knows her work, for she comes of a family of weather men.

Her father was 40 years in the government service and her brother served a year thereafter. When he resigned, Miss Dorman, just out of school, succeeded him.

With "Noisy," a pet hen, which was once a puny five-and-ten-cent store point, humidity and temperature.

and emerged a serious minded religious of her home church, the Rev. Frank

In the '80's she had a stormy period, her writings on morality, population and Socialism arousing great criticism in England. She adopted theosophy and on the death of Mme. Blavatsky became president of the Theosophical Society, which, under her leadership, has increased greatly all over the world.

JUDGE ANNOUNCED RESULT OF GAME FROM THE BENCH

ALTOONA, Pa., Oct. 27.-Judge John H. McCann, presiding in Blair County Court, set a precedent during the World Series when he announced in court the score of a game between the New York Yankees and the Pittsburgh Pirates. The judge made the announcement from the bench during a lapse in a murder trial while a missing witness was being traced.
