

BRINGING UP FATHER

By George McManis

Attention!! Prince Rupert Students!

See our window! A beautiful watch will be given away absolutely free. A large clock dial has spaces for the names of boys and girls attending school in Prince Rupert and writing on the exams in June. All you have to do is come in and have your name put on. You need not buy anything! The clock will be wound on June 20 and when the hand stops, it will point to the lucky name. Be sure to enter before June 20.

Ask the master builders of this town where to go for lumber and they will turn your footsteps in this direction. They maintain that the kind of woods we sell is the sort that should be put into a building that is expected to live to a ripe old age.

NO SCORE IN JUNIOR GAME

HIGH SCHOOL AND BORDEN STREET PLAY VERY CLOSE GAME

High put up their best performance on Saturday when with a nine-man team they effected a draw with a Borden eleven. High played down hill and Stiles and Larkin had to stop Smith and Johnson. Sakamoto shot past after High was threatened and Kami Miwa then cleared. Nina Gurvich missed a good chance and Stiles stopped Miwa when dangerous. MacDonald played well for Borden and spoiled the High forwards repeatedly. Smith forced a couple of corners but the Borden defence cleared their lines. Lee got away and MacDonald shot wide from Wicks' centre, while Lee headed just over. Kane saved well from Sakamoto. Mike Gurvich sent his forwards in action but High came back and Smith hit the upright with a good try. Halftime came with no score.

Kami sent Borden back and Larkin repeated the clearance at the other end. After a spell of midfield play, High forced a corner that Smith placed so well that Steen had to save. MacDonald shot too high. Borden were forcing the game and Lee narrowly missed after Kane had saved from MacDonald. Morrison stopped the Borden forwards five times in succession. Thomas got away to centre well but Stiles cleared. Play alternated but poor shooting on both teams gave the goal keepers an easy time. Full time came leaving the score sheet blank.

Jack Campbell refereed and Cecil Hacker and Jack Campbell (junior) were linesmen.

Teams: Borden—Steen, Stiles, Larkin, Fong, MacDonald, M. Gurvich, Sakamoto, N. Gurvich, Lee, Batt, Wicks.

High—Kane, Miwa, Morrison, Allen, Smith, Johnson, Sakamoto, Smith, Thomas.

LIKES LOOK OF PRINCE RUPERT

WELL KNOWN ADVERTISING MAN OF EAST AGREEABLY SURPRISED AT WHAT HE SAW HERE

R. C. Smith, one of Toronto's leading advertising agents, accompanied by Mrs. Smith, was in the city yesterday afternoon in the course of a combined business and pleasure trip across the continent. Mr. Smith's firm handles the advertising of several well known national advertisers and on this occasion he was sizing up the conditions in the West for himself. An old newspaperman, having been on the staff of the Toronto Globe many years ago, many of Mr. Smith's former "cubs" are scattered all over western Canada and he has had an enjoyable time meeting some of them again and has the prospect of seeing more before he returns East.

Mr. and Mrs. Smith stopped off at Winnipeg, Saskatoon, Edmonton and Jasper Park for a day or two but the solidity of Prince Rupert was the most impressive thing Mr. Smith had noticed on the whole trip. "The solidity of construction in the city, with the elevator at one end and the Cold Storage plant at the other, together with population and trade figures, and the sight of the basement of the Prince Rupert Club and the dry dock plant, created the permanence, which the visitors had not looked for. They were therefore

agreeably surprised. Being an advertising man, Mr. Smith thought that Prince Rupert had certainly something to advertise.

The courtesy, service and attention accorded their passengers by the Canadian National Railway was another outstanding feature of this western trip, Mr. Smith said. In all his travelling around Canada and the United States, this has never been equalled in his long experience.

Mr. and Mrs. Smith stopped off at Winnipeg, Saskatoon, Edmonton and Jasper Park for a day or two but the solidity of Prince Rupert was the most impressive thing Mr. Smith had noticed on the whole trip.
