Peace Pact Between Japan and the United States is Suggested and Official Proposal Likely

GENEVA, June 25 .- The possibility that the government and people of the United States may soon be forced to decide whether they wish to negotiate a perpetual peace pact with Japan loomed today as an outgrowth of the tripartite conference at Geneva. Dr. S. F. Tolmie Speaks to Good Sized Audience Makes Good Impression

If this, his first speaking tour of the province in his capacity of Conservative leader for British Columbia, is for the purpose of making a good impression upon the people, Hon. Dr. Simon Fraser the impression nevertheless prevails that Admiral Viscount Saito, Tolmie, M.P., succeeded admirably in the attempt as fas as Prince Rupert is concerned. Several hundred persons turned out at the Auditorium last night to hear this genial gentleman, who is esteemed generally, regardless of political leanings, and they heard a good address on the questions of the day with plenty of humorous em'eltishments.
