NEGLECT is doubtless the cause of most of the ills that afflict humanity. This is so self evident that it seems hardly necessary to tell you. If your eyes are giving trouble, have them attended to-and at once.

OF ALL absurdities in the kingdom of foolishness, surely the loss of eyesight through neglect is the most inexcusable.

DON'T lose health and efficiency through neglect. Come and see!

SMITHERS ATHLETIC CLUB HOLDS MEETING

The annual general meeting of the was no score. Smithers Athletic Club was held in the In the Senior League, the Native Sons ing to sport in town, says the Interior News of Smithers.

Dr. R. C. Bamford, president, gave an encouraging outline of the past year's activities in the three principal branches of athletics conducted by the club, all of which had been managed in a successful manner. The basketball leagues were in a flourishing condition, while the baseball team had returned a profit of approximately \$100 to the treasury. The town hockey league operated during last winter had served to increase the interest in this sport at a small cost to the Athletic Club.

Rev. Geo. Turpin, treasurer, read a brief financial statement, which revealed a comfortable bank balance in spite of the heavy expenditures made on the new rink structure.

The election of officers resulted in the return of all the 1927 officers, with the exception of Wilmer Lewis, who tendered his resignation. Four new names were added to the executive committee, while G. N. Roberts was named as secretary.

PROGRESS ON RINK

Good progress was reported on the rink project, while Contractor Hann was ready to proceed with the erection of the new curling rink. Over an hour was spent in discussing the manner in which the skating rink would be conducted. Percy Davidson was chosen as manager, and it was the opinion of the meeting that a record-breaking season would follow his appointment. Mr Davidson is now engaged in making preliminary arrangements to commence flooding, and with suitable weather the end of the month should see an ice surface available for skaters.

A committee was named to take charge of the town hockey league, which had functioned so successfully last winter. The personnel of the teams will be selected and a playing schedule drawn up. It is likely that a dinner

Short of Breath Dizzy, Sinking Spells COULDN'T WALK FAR

Mrs. L. A. Oliver, Granville Ferry, N.S., writes:- "A few years ago I had | years, of Eddie Mann as umpire was dizzy, sinking spells so bad I could hailed with great applause, fully testihardly stand up without taking hold lying to his popularity both among of something to support me, and I players and fans. could not walk any distance on account | Detailed results of the games follow: of being so short of breath.
