CAPPY RICKS BACK IN FILM FOR "MORE **PAY--LESS WORK**"

Cappy Ricks, Peter B. Kyne's famous character creation, has returned to the screen to give the world's theatre patrons another hearty laugh. This time he is in "More Pay-Less Work," which is to show at the Westholme Theatre tonight.

A merger of Cappy's Blue Star line . with Bad Hinchfield's Banner Navigation Company has been arranged. Hinchfield has modern ships and antiquated methods. Cappy's ships are old but his methods down to date.

Details are all arranged except the firm name. Hinchfield balks because it is to be Ricks & Hinchfield instead of Hinchfield & Ricks. Cappy and Dad shout it out and reject the merger idea in spite of the huge profits in sight. Betty, Cappy's daughter, who is his office manager and adviser, takes him for an auto ride during the lunch hour. Her brakes refuse to work on a hill and she knocks a young man in a flivver off the road. Cappy gives him

Prince Rupert is a great town for rumors. A week ago false news was going around that Great Britain had declared war on China. You heard it everywhere you went. THE DAILY NEWS

It was wonderful how these two supposed facts had taken hold of the public mind. It just goes to show how the guess or supposition of one person is soon spread and exaggerated until it is made an actual assertion. Such things cause much trouble and worry for the newspaper which must publish facts and not rumors.

PERHAPS "HONEST JOHN" IS RIGHT.

It was interesting to note that the majority of Liberals and Conservatives in the provincial Legislature agreed on at least one thing-namely the marketing bill. Premier Oliver held out against his own colleague that the proposed bill was not desirable and, in fact, was ultra vires. Perhaps "Honest John" is right, even though his legal associates do not think so, for his knowledge of things constitutional is remarkable. After all, if he thinks it is not right it is his privilege to kill it by refusing to present or endorse it to the lieutenant governor whose sanction it must have before being finally rific battle with the doctor, he breaks defying somersault in which Artinelli's effective.
