We have just imported these watches for nurses.

All the steel parts are made of stainless steel so that water will not rust them in case they get wet.

They have a seconds hand for counting the pulse and the movement will run forty hours, so that if winding is forgotten for a few hours, the watch will still be running.

Prices from \$18 to \$25.00.

JULY 1 CELEBRATION COMMITTEE TALKS OF PLANS AT MEETING

The July 1 celebration committee held a meeting last evening and discussed plans. No decisions were reached in regard to the general program which will probably extend for the three-day period of Friday, Saturday and Sunday, July 1, 2 and 3, with the first two days being given over to sports and Sunday devoted to a fitting observance in the various churches.

Various members of the committee of fered suggestions in connection with the sports program and the manner of obtaining financial assistance was also discussed. The published list of the various committees was confirmed and at an early date, the executive, composed of the officers and the chairmen of committees, will meet for further discussion of plans.

The meeting was presided over by S. D. Macdonald, vice-chairman, an Harry Breen acted as secretary.
