

When on the Courts I take my stand
The flappers murmur "Ain't he grand!"
They all admire my tennis, true —
But they admire my turn-out too —
My blazer with its colours bright
My well-cut flannels, snowy white
And fresh White Nugget on my shoes
With such attractions, who could lose?

"NUGGET" WHITE DRESSING

Very few could afford to do it

Only a drug store with a very large prescription business could afford to maintain our staff of graduate pharmacists. Our prescription service is simply the result of public appreciation of our endeavor to give unusual attention to this work. Naturally, those who use this service remember us when making their purchases of perfumes and toilet accessories.

D. Bendson and Mrs. Bendson came in on the Catala from Anyox yesterday.

Arriving on the Catala yesterday from Anyox where they have been visiting were Mrs. Miss and N. Gurdich.

The Catala did not arrive in port yesterday till 5.15 and left for southern ports shortly after six. She had a full passenger list.

A donation of five dollars was received by the hospital Board at its meeting last night from W. H. McCullum of Vancouver.

Returning from a holiday in the south, Jack Perry of the Bank of Commerce staff was a passenger on the Prince Rupert this morning.

Among those sailing on the Catala last evening were A. L. Carruthers, P. Phillips, Miss Eva Morris, T. B. Black, G. L. Bevan and J. D. Forsyth.

The Presbyterian Sunday School picnic will be held at Digby Island on Thursday, July 14. Boats leave Swanson's Boat House at 1.30 and 2.30 p.m.

Anglican Picnic to Digby Island tomorrow Thursday. Boats leave Prince Rupert Boat House at 1.30 p.m. All Anglicans cordially invited. If wet, all will meet in lower hall of the Church.

Miss I. and Miss S. Haddock who went to Port Simpson on the Thomas C. Crosby returned yesterday. They report a delightful trip. Mr. Dobson, who is an ardent naturalist, collected several unusual shells, mosses and ferns on the trip and was especially delighted with the mosses.

At the Hospital Board meeting last night it was reported that Mrs. Wearmouth had been helping out during the time they were crowded, with patients and were short of nurses. It was decided to pay her at the same rate as was paid to nurses doing special work for patients, which is five dollars a day.

A suggestion that the Prince Rupert Hospital should become a member of the Prince Rupert Credit Bureau at a cost of four dollars a month was made to the Hospital Board last evening in a letter from that organization. The idea was not entertained but a committee will investigate the possibility of giving collections to the bureau.

The Hospital Board had before it at its meeting last night a communication from R. J. Stewart, Inspector under the Factories Act, ordering that repairs and improvements to the hospital elevator be made and that a report of the work be sent to him at Vancouver. The House Committee was instructed to have the work done and also to take out elevator insurance on behalf of the Board.

She Began to Thrive when put on EAGLE BRAND

"My baby was born prematurely, by the Caesarian operation. She lost steadily for five weeks, and was nothing but a little skeleton. She cried continually and would not sleep for more than half an hour at a time. I was unable to nurse her, and the food we gave her disagreed altogether with her. At last the doctor said we might try Eagle Brand and we made a very weak solution, feeding her each hour. This was at four o'clock in the afternoon, and after the nine o'clock feeding, she went to sleep and slept peacefully for nine hours. Since then, she has gained rapidly and is so happy and contented that everybody stops to notice her. People who saw her when she was five weeks old, think she's nothing short of a miracle, and indeed we all think so, for her life was just hanging by a thread, and it seemed as if she could not live. She is one of the best testimonials you could possibly have, and after seeing her, any mother would try Eagle Brand. She is nine months old today, has seven teeth and is trying to walk, and since five weeks, has had absolutely nothing but Eagle Brand and Orange Juice." (Name on request)

Making Mother as Capable as a Trained Nurse in the Feeding of Baby

Free Baby Books

Instinctively most mothers know how to care for baby. But authoritative hints and accurate charts are always a great help. We have a set of especially prepared booklets containing a vast amount of useful information on the care and feeding of infants. They are free. Send for them, addressing
