## Sir H. Denison says Canada Should Lease Strip Allaskan Coast

BLE SUGGESTION TO GIVE ACCESS TO NORTHERN B.C.

VANCOUVER, August 2 .- Sir Hugh Denison, Australian Trade Commissioner to the United States, urged before the Canadian Club yesterday that an arrangement should be entered into with the United States'for the internationalization of Skagway and the vicinity or the lease by Canada of the strip of the coast in order that the Yukon and northern British Columbia might enjoy port advantages at tidewater.

Sir Hugh said it seemed a pity something could not be done to improve conditions on the northern coast. "I found Skagway

ractically deserted. Apparently the\* United States is not inclined to spend money on its upkeep and while it beones to another country no Canadian concern cares to spend anything. should like to see the port and adjacent strip internationalized or some effort made by Canada to obtain a long lease,"

## IS PROPOSED NAVAL CONFLAB

Japan Intervenes to Try to Save · Conference From Failure

RAPID CITY, Aug. 2. - President Coolidge has instructed the United States delegation to the Naval Conference to make every effort to reach an agreement but failing expects the meeting will adjourn sine die.

GENEVA, Aug. 2.-Japan today made a last supreme effort to save the naval conference. Admiral Saito and Viscount Ishii visited Hugh Gibson, United States delegate, with a compromise suggestion. It is understood that it provides that Great Britain and Japan will cease building cruisers at the end of the present program and up to 1931 the number of ten thousand ton cruisers would be limited to twelve each for Britain and the United States and eight for
