Educational Leaders From Britain, Ireland and China for Convention

TORONTO, Ont., Aug. 2.-Teachers Toronto for the second biennial conference of the world Federation of Education Associations which will meet in this city August 7-12. Approximately 200 deelgates from Great Britain have arrived and a still larger number are heading for the city. Several Japanese delegates have reached the United States, as has also a small party from China which will be greatly augmented Chinese teachers resident in

Committees of local teachers are busy arranging for the accommodation of the 6,000 delegates who are expected t attend. Half a dozen of the leading Toronto hotels have set aside blocks of College, where the sessions of the con- teachers' panel of the Standing Joint ference will be conducted.

eign educationists visiting the city are ham, in which capacity he presented leaders in public life in their native the teachers' case for improved recountries. Many of them have distin- muneration with convincing mastery. writers.

in about two months thoughts will again commence to wander to indoor sports. It is to be hoped that a greater interest will be taken in winter sports, so that youth can find an outlet for its surplus energy. When all is said and done, the chief blame for the decline of sport is the lack of, a sporting spirit of those eligible to take part. The Anyox Community League stands ready, as always to do its part in fostering recreation, but success cannot be attained unless it has the wholehearted support of the community. Recreation is as necessary as work, and energetic recreation must be given youth if the mind and body is to be

#### EDMONTON GAS RATE IS CUT THREE CENTS

EDMONTON, Aug. 2 .- Proving to be a victory for the city. Edmonton's gas rates were reduced by three cents, from 45 to 42 cents net per 1,000 cubic feet under an order issued by the public utilities board, composed of Chairman A. A. Carpenter and Commissioner E. J. Fream, on Friday afternoon. The Northwestern Utilities Gas Company had applied for present rates to be maintained while the city had fought for a reduction which, it contended, should be a substantial one.

## SYNOPSIS OF

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age and by aliens on declaring intention to become British subjects, conditional upon residence, occapation, .nd improvement for agricultural

Full information concerning reguations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5.000 feet per acre east of that

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for le situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner. Pre-emptions must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands." Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the con-

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

campers and travellers, up to

Electro-Magnetic Bell

You may wonder why and how any appliance can bring relief to so many different ailments. But bear this in mind friend, that whether you are suffering from Neuritis, Goil High Blood Pressure, Eczema, Asthma, Rhenmatism, Varicos Veins or Ulcers or any other ailment, except from contagious epidemics such as Scarlet Fever, Small-pox or Measles-that the cause is all the same. You are suffering from a toxic condition that manifests itself in whatever ailment you may have. This condition is brought about by incomplete elimination of dead cells and if nature can be assisted in the process of elimination, you are going to be relieved of your troubles. This is precisely

### What Magnetism Does!

We want you to get this message! Just because you may have been told that your case is hopeless or that Electric-Magnétic treatments will not help you, do not give up. We are relieving similar cases every day and receiving evidence of how little we knew a few years ago.

The theory of Electro-Magnetism is founded upon

### The Latest Discoveries

of the Rockefeller Institute, the Mayer Foundation, and great German biologists, so do not let scepticism stand in the way of your securing relief. We have cases of long standing varicose ulcers being completely cured in seven weeks, also cases of neuralgia pains being totally relieved with one treat-

Come in and see what Electro-Magnetic treatments will do for you. The free treatment offer is still open.
