RADIO INTERFERENCE

Editor, Daily News:—
Another week has gone by and no radio account of excessive noise. We agree with the "Few Disgusted Radio Owners" that it is useless to have a radio in Prince Rupert under present conditions and also agree with them that something must be done at once to clear up this interference.

Is it that the radio dealers in this city are only interested in selling machines and not a bit interested in radio reception?

BIG DANCE BY MOOSE

Opening of New Power Plant Signal For Celebration

The new power opening here was celebrated last night in the Moose Hall with a dance put on by the Moose Lodge which was attended by close to four hundred persons. It was a highly successful and enjoyable affair. The feature of the proceedings was the visit during the evening by Power Corporation and civic officials. Mayor C. H. Orme and H. E. The dance was in progress from 9 p.m. until 3 a.m. and splendid music was furnished by the Premier Orchestra. Gillis Royer was master of ceremonies while R. Cameron was floor manager for a number of Scottish dances.

B. J. Bacon was in general charge while W. B. McCallum, C. Lemon and W. Logan presided at the door. Joe Ratchford had charge of the punch bowl and W. E. Funnell, the hot dogs. The general committee consisted of Jack Preece, W. Lamb, J. Wide, T. Morgan, N. Trimmer and P. Peterson.

The Power Corporation lent valuable assistance in connection with the staging of the dance.
