Will be Candidate in Support of Dr. S. F. Tolmie but Goes Back on Promise to Abide by Decision of the Convention

NNOUNCEMENT was made yesterday that S. M. Newton, former mayor, is to be a candidate at the coming provincial election. The announcement was not unexpected as Mr. Newton had been very actively engaged in registering voters and canvassing the city.

Then pressure was brought to bear on him by local Conservatives and he announced that he had withdrawn his candidature and would allow his name to go before #---the Conservative nominating conven-

It is pointed out by Conservatives that this is not the first time Mr. Newton has, as they say, "foisted himparty although there are some members majority of more than 20,000. who strongly support him.
