BEAUTIFY THE CITY

Spring will be here very soon nd it is suggested that an effort hould be made this year to beauify the city by means of window oxes and flower gardens.

Window boxes are no longer experiments. They have been used or years in Prince Rupert and ave proved very successful. Mr. and Mrs. R. E. Benson have been Dr. and Mrs. Eggert have been mong the leaders in beautiful the Dominion. ardens. What they have done, pots here and there all over the Canada. he city more beautiful and the

ome more attractive. If some of he myriads of organizations in he city would take up this matter and possibly offer prizes and by personal canvass induce the people to act, it would help. Window boxes may be made at ome at small cost and for those

the cannot afford to buy plants a ew cents worth of nastertium eeds will often produce plants hat make a good showing. Some the nastertium boxes have been lost artistic.

Let us aim to show that the clihate of Prince Rupert is not as bad as it has been painted in the buth. If everyone will do someing, the city may be transformed n one season.
