TIGERS SHOW NEW STRENGTH

DETROIT NOW IN FIFTH PLACE IN AMERICAN LEAGUE—YANKEES WIN THIRTY-FOURTH GAME

(Special to Daily News)

NEW YORK, June 1.—The slipping St. Louis Cardinals dropped another game to the Pittsburg Pirates yesterday. Boston, though in seventh place, improved its position with a win over Philadelphia which, as a result of so many losses, is now occupying a rather unprecedented place in the cellar of the National League.

New York Yankees, not to be denied long, blanked Washington Senators yesterday. Detroit Tigers, who have been showing renewed strength of late, advanced from sixth to fifth place in the American League, displacing Boston which was idle with Philadelphia on account of rain. Chicago White Sox and St. Louis Browns shared the honors in a doubleheader.

Yesterday's scores:

NATIONAL LEAGUE

Boston 9, Philadelphia 4.
St. Louis 2, Pittsburg 3.
Only two games.

AMERICAN LEAGUE

Washington 0, New York 4.
Philadelphia - Boston, rain.
Detroit 9, Cleveland 5.
Chicago 7-1, St. Louis 2-2.

COAST LEAGUE

Sacramento 1, Hollywood 6.
Oakland 7, Missions 5.
San Francisco 5, Portland 6.
Los Angeles 4, Seattle 5.

IRISH AND ITALIAN BOXERS ARE CHAMPS.

Tunney, Loughran and Walker from Erin and Dundee, Mandell and Canzoneri from Mussolini-land

NEW YORK, June 1.—All of the six boxers universally recognized as present world's champions in their classes are either Irish-American or Italian-American, honors being evenly divided. Irish-Americans rule the top three classes and Italian-Americans the next three. In the last two there are no undisputed champions. Here's the lineup:

Irish-American—Gene Tunney, heavyweight; Tommy Loughran, light heavyweight; Mickey Walker, middleweight.

Italian-American—Joe Dundee, welterweight; Sammy Mandell, lightweight; Tony Canzonori, featherweight.

HOLE IN ONE

Robin Bell-Irving of Powell River Does It at Jasper Bad Baby

JASPER, June 1.For the first time in the history of Jasper Park Lodge golf course, an amateur has made a hole in one. The congratulations are showering in on Robin Bell-Irving of Powell River, B.C. The feat is all the more spectacular because it was accomplished at the 15th hole, which is known as the Bad Baby. Mr. Bell-Irving was playing over the course yesterday afternoon with George Stevenson of Hamilton, Ontario, against Dr. H. B. Lee of Nigeria, British West Africa, and Gordon Barr of Jasper.

Lee did the Bad Baby in two and the game up to that time was so dangerously close that Bell-Irving had to accomplish the impossible. "He ought to be able to handle bad babies" said his wife, "he has brought up four."

SPORT CHAT

In the last Vancouver Sunday Province sporting pages appears a large group picture of the Smithers baseball team "which captured the championship of the northern interior last summer and is preparing to defend its honors this year." The team made an enviable record last year with twelve victories in thirteen starts. Among their victims were included Prince Rupert (intermediates), Hazelton, Burns Lake, Vanderhoof and Giscome. Those shown in the picture are W. J.Finnegan, H. G. Olsen, J. A. Finnerty, Dr. R. C. Bamford and W. S. Henry, supporters of baseball in Smithers, and the team consisting of Wilmer Lewis, Fred Borden, Arthur Pelletier, Smith Arnold, Alf Wowlett, Billy Orchard, Warren Lewis, George Roberts, Clarence Goodacre and Cliff Warner.

For the second year in succession the General Store team consisting of W. H. Thompson, T. Ahola (captain), S. Barnett, L. G. Adamson and G. J. Jessup, has won the team bowling championship of Ocean Falls. Four teams participated in the league, General Store, Papermakers, Pipefitters and Civil Service. The Papermakers ran a close second to the General Store team, winning 27 games out of 45 as against the General Store's 29 out of the same number played. The team had an average of 854 per game and a total of 38,425 pins. Tom Ahola won the high singles average prize with 186 for 45 games in 1927 but this year was beaten out by L. G. Adamson with a 182 average for the same number of games.

WEST INDIES CRICKET TEAM

ELEVEN WILL PLAY TEST MATCHES IN ENGLAND THIS SUMMER

LONDON, June 1. — The growth of first class cricket, if slow on the continent of America, has been very rapid since the war in other parts of the world. Australia is the equal and often the superior of England in this game. South Africa can put up formidable teams in the field. India is coming along. Perhaps the greatest development has been in the West Indies. There have always been fine cricketers in Jamaica, Barbadoes, Trinidad, West Guiana and representative teams have toured England. Not till this year, however, has a West Indian team been considered strong enough to engage in first class test matches.

The presence of the West Indians in England this year will be taken advantage of by the Marylebone Cricket club, which rules the game, and the English team to go to Australia next winter will likely be sent against the visitors. Dates for the test matches are:

June 23, 25 and 26 at Lord's.
July 21, 23, 24 at Old Trafford.
August 11, 13 and 14 at the Kennington Oval.

Around The World With Sport Fans

Cincinnati is unlucky in having two of its star hurlers out of business at the same time. It was only Sunday that Red Lucas was injured when batting and now comes Luque hurting a tendon in his arm which may lay him off for some time.

Rugby seems destined to come into its own in Ontario, says an Eastern writer. Now, for the first time, the game is under centralized control and an earnest effort is being made to promote and popularize the code which for generations has been one of the most favored team competitions in the British Isles. Our own football is an outgrowth of Rugby—an evolution of the game which originated at the famous school for which it is named when a player picked up a soccer ball and ran with it. Rugby is a fast, skilful and tricky game replete with open play, fine passing and punting and less of the line-plunging and battering attacks of Canadian football. In other parts of Canada, especially in British Columbia and in the Maritime Provinces, the game of Rugby is played almost to the exclusion of football. There is room enough for the fine old British game, for the Canadian code and for soccer too.

Swinging back into the form which gave him a sensational string of victories a few months ago, Billy Townsend of this city scored a decisive win over Johnny Hawkes of Tacoma in the 10-round main event of the arena card Friday night says the Vancouver Star. Townsend won practically every round, scored two knockdowns and left the ring unmarked. The Tacoma boy ran into a right smash to the body in the second round which fractured two ribs and this proved a handicap the rest of the journey.

Bill Peden, champion bicycle rider of British Columbia is in the east training for the speed trials there with a view to trying to get a place on the Canadian Olympic team.

The great question in Olympic events is where will Paavo Nurmi be? The great Finnish athlete is said to be entered for the 1500, 5,000 and 10,000 metre flat races and the hurdle events. Those interested in field sports are wondering if he has kept his form or will be go down before the array of speedy runners to be present at the big meet?

Jack Slattery, former Toronto player, has resigned as manager of the Boston National League team after a brief tenure of office. Rogers Hornsby has taken over the job. When Hornsby went from St. Louis to New York it was expected that he would be McGraw's successor. Then came the amazing switch from New York to Boston, and immediately baseball tongues began to wag. It was predicted that eventually Hornsby would be manager of the Braves, but the change was not expected so soon. Jack Slattery's resignation is likely to be followed by that of other managers in the majors. Detroit fans will tell you that George Moriarity will not finish the season as pilot of the Tigers, while in Chicago it is said that Ray Schalk will "get out from under" as White Sox leader. The deal which sent Manush and Blue to Dan Howley's team has not helped the Moriarity cause. When Comiskey paid the alleged sum of $123,000 for Cissel the Sox were expected to start climbing. Dissension is hinted at by Chicago fans.

UTILITIES WILL BE PROTECTED

ACTION IN CONNECTION WITH B.C. ELECTRIC SAID TO HAVE CAUSED UNEASINESS

VICTORIA, May 31.—Creation of a Public Utilities Commission to control the operations of power companies has been forced to the fore as one of the biggest public issues facing British Columbia as a result of three developments in the last few days.

1. The action of the Provincial Water Board in agreeing to act virtually as a public utility commission in settling an important interior power rate dispute.

2. Decision of Vancouver City Council to call a conference or representatives from all municipalities interested in the operations of the B.C. Electric Railway to consider the recent purchase of that organization by British and Canadian capitalists.

3. Premier MacLean's statement in New Westminster recently that his Government "is responsible not only to capital but to the consuming public, and the Government has power to control high (electrical)' rates."

FEAR RATE INCREASES

Back of all these developments is the growing fear of British Columbia municipal authorities and provincial legislators that the recent purchase of the B.C. Electric interests and the sudden expansion of the company's capitalization from $25,000,000 to $80,000,000 may result in greatly increased power and light rates. It is this fear which has caused Mainland municipalities to arrange a conference to discuss the whole situation.

The move for a public utility commission has been clearly defined in provincial politics for some time but the B.C. Electric purchase and the arbitration between Grand Forks city council and the West Kootenay Power and Light Company has crystallized it. When the Legislature meets again it is expected it will deal finally with the issue by creating a commission to have ample powers of control over all electrical rates in the Province.

ARBITRATION TO PROCEED

While municipalities are postponing their conference on the question until Vancouver officials have had time to interview heads of the B.C. Electric and secure complete data from them, the Water Board here is moving to act for the first time in the capacity as arbitrator in a power rate dispute. The action of Grand Forks city in asking the board to intervene in this way has demonstrated the wide powers of the board over any company which develops and sells electrical power. At the same time it has brought the Province face to face with the necessity of making final and complete arrangements for handling all power disputes in the future."
