### Liberal Nomination Tonight is Out: tanding Event of Week and Outcome Seems to be in Doubt

Overshadowing all other matters of street gossip, the outcome of the Liberal Nominating Convention for the federal riding of Skeena tonight is the all absorbing topic of discussion around the town today. It is once that a primary is attracting interest almost comparable to that which would be taken in an election result itself. Nor is the interest confined alone to the one political party concerned. The whole district is interested. Outside portions of the district have indicated their

interest by sending many dele-ROAD PROGRAM fidence at a high pitch in the camp of Olof Hanson.
