TRELLE SCORES AGAIN
 (Edmonton Bulletin)

Mr. Trelle again took second place in the wheat competition at Chicago; the premier honor going, as it did last year, to a Montana exhibitor of hard, red winter wheat. The Peace River grain was thus shown to be better than any other spring wheat shown, and superior to all samples of fall wheat save one.

To win second place in a competition which included wheat of all varieties, spring and winter, from all parts of the continent is a distinction of which any farmer should be proud. In Mr. Trelle's case the achievement is the more notable, because in three successive seasons his wheat has been the best shown on one occasion and next to the best at the other two shows.

News of the Mines
 AROUND PRINCE RUPERT
 Consolidated Expected To Take Emerald Group;
 New Ore Body on Mona Near Burns Lake; Haggen Reviews Gold Situation in North

Interior people interested in the Emerald mine group on Sweeny Mountain, in the Sibola district, are expecting to soon receive their first payment from the Consolidated Mining & Smelting Co. That company worked the property during the past season under a bond to purchase and it is understood that the property showed up in a most satisfactory manner. Its taking over by Consolidated would further boost prospects for the Sibola region.

A rich body of ore has been struck in new workings of the Mona Mines Ltd. property near Tschenukt Lake, south of Burns Lake. The manager, O. W. Owen, states that the strike is on the second vein and comprises five feet of grey copper and silver ore. The vein is located 136 feet to the west of the old workings and development is proceeding on the new showing. The strike seems to prove a theory that mineral runs through the country in a system of parallel veins extending to Decker Lake. The general trend of the veins is north. Bald Hill is richly impregnated with mineral and a piece of surface ore recently gave assays of \$40 per ton.

The northwest mineral survey district, writes A. E. Haggen, M. E., editor of the Mining & Industrial Record, has been of recent years the leading gold producing section of the province. Of an average mineral output of about \$10,000,000, thirty per cent has consisted of gold, almost entirely from the Premier mine, which for the past seven years has been the largest gold producer. Lode gold occurs at Kitselas and Kitsumkalum, while Alice Arm has possibilities. The most important new lode gold development in northern British Columbia is that of the Georgia River Gold Mining Co. on the east side of Portland Canal, about fifteen miles south of Stewart. A great deal of work was done here during the past summer.

For the convenience of out-of-town subscribers the following coupon may be cut out and used:

Enclosed find dollars contribution toward the Christmas Dinner Fund of the Salvation Army to provide a dinner for those not otherwise remembered on Christmas Day and for the provision of Christmas hampers for poor families.

Signed

MAY FILL TARIFF VACANCY

Hon. Frank Oliver, whose name, with two others, is mentioned in connection with the vacancy on the Dominion Tariff Board.

LIMIT SPEECHES TO FORTY MINUTES EACH

EDMONTON, Dec. 10.—At the opening of the Alberta Legislature, for which arrangements are almost complete, a new rule comes into operation. It is that speeches will be limited to 40 minutes, except those of the Premier, leaders of recognized groups, cabinet ministers, a minister moving a government motion and the minister replying thereto.

Another important addition, resulting from last session is the inclusion of a provision that every member remaining in the legislative chamber when a vote is being taken, must cast his vote. If he does not desire to vote he may leave.

SIR CHARLES BLAIR GORDON, G.B.E.

President of the Bank of Montreal

SMALLPOX EPIDEMIC IN THE PEACE RIVER

EDMONTON, Dec. 10.—Smallpox, in epidemic form, has broken out in several points in the Peace River territory, and every precaution is being taken to prevent its spread and to stamp it out, according to Dr. M. R. Bow, deputy minister of health.

With a view to taking action that he may deem necessary, in conjunction with local doctors, Chief Provincial Coroner Dr. E. A. Braithwaite left for Grande Prairie to go into the entire situation.

According to information received by Dr. Bow, there are 12 cases at Wembley, one at Grande Prairie, one at Spirit River and one at McLennan, which is a "contact" case.

NEW NORMAL SCHOOL TO GO UP, EDMONTON

EDMONTON, Dec. 10.—Tenders for the erection of the new normal school in Edmonton are being called for by the public works department. Hon. O. L. McPherson, minister of works, says that the contract will be let as soon as possible and construction work will begin as early in the new year as weather conditions will permit. It is the expectation of the government authorities to have the new school ready for use for the fall term next year.

D. W. MINES LTD. TO OPERATE ALL WINTER

Ex-Governor D. W. Davis, Head of Company, on His Way to Washington, D. C. for Holidays

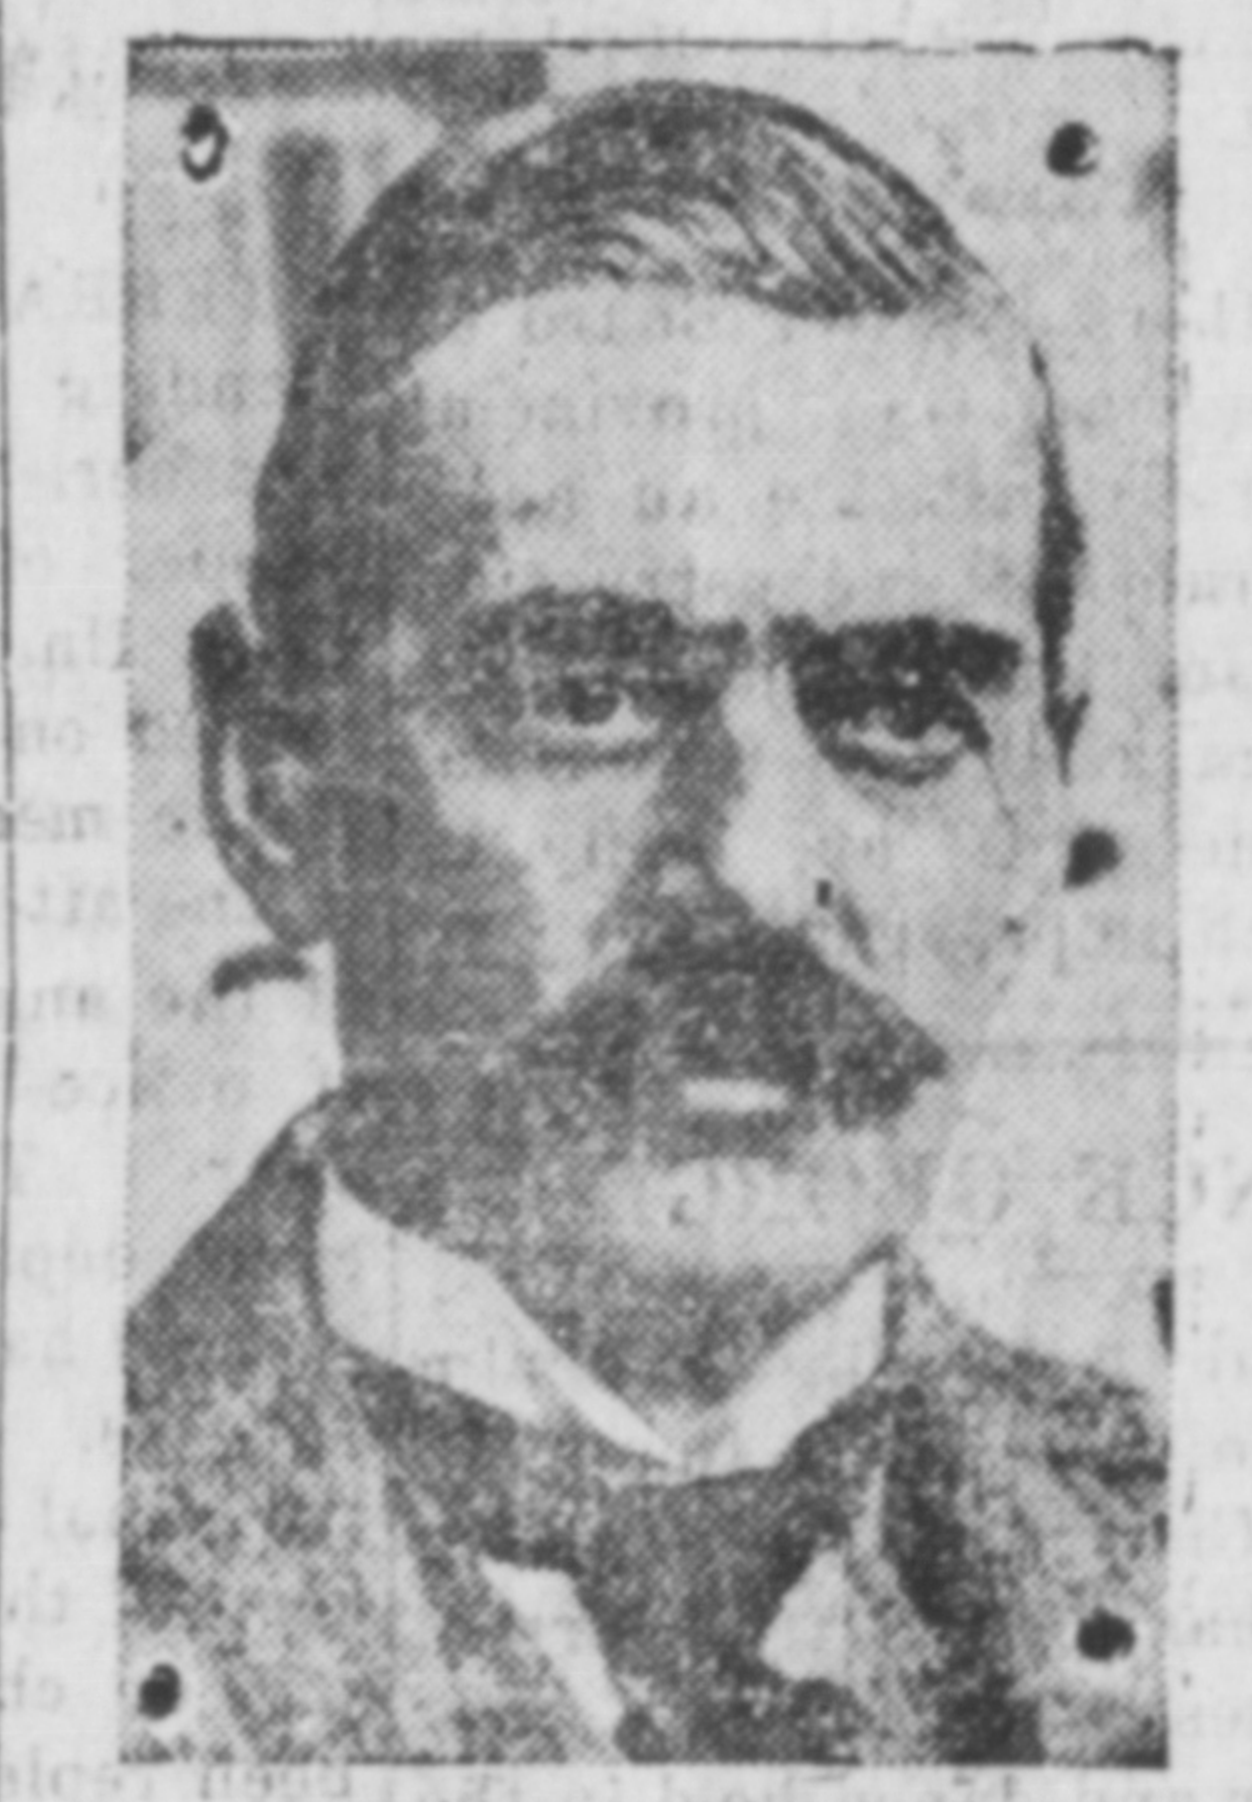

Ex-Governor D. W. Davis of Idaho, head of the D. W. Mines Ltd., arrived in the city on yesterday afternoon's train from the mine at Cedarvale and will sail tomorrow afternoon on the Catala for Vancouver enroute to his home in Washington, D. C. where he will spend the Christmas and New Year holiday season. Governor Davis states that operations will be continued throughout the winter at the interior mine. Very satisfactory results, he says, are attending the sinking on the ore.

KING BORIS

of Bulgaria, whose country was in danger of being plunged into civil war as a result of a conflict between the Council on Ministers at Sofia and the Macedonian leader, General Michailoff.

WINS POLITICAL VICTORY

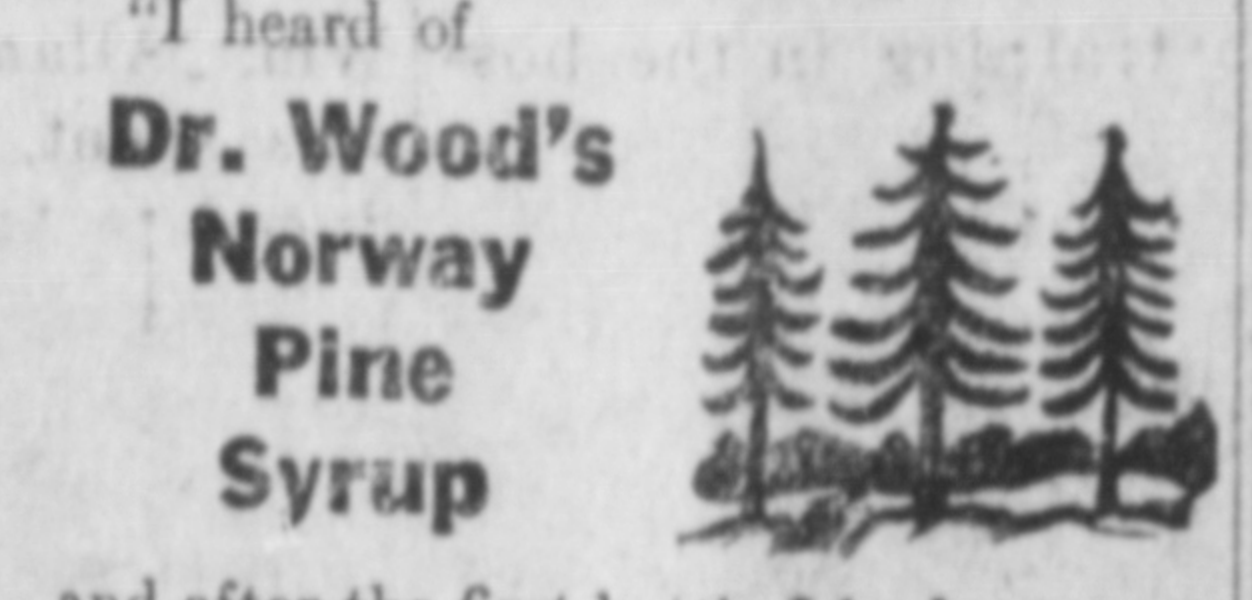

Rt. Hon. Neville Chamberlain, British Health Minister, who, by his two-and-a-half hour speech in the House of Commons practically assured the success of the British government's derating scheme whereby industry would be relieved of local taxation and local government would be reformed.

 Enjoy riding with Ethyl.

A Tickling In Her Throat For Years

Mrs. Peter Johnson, Port Alberni, B.C., writes: "I had been troubled for years with a tickling in my throat every time I would lie down, and at night I would cough so I could not sleep, and could hardly do my work. I would cough until I would vomit."

and after the first bottle I had no more cough, and now I am never without a bottle of 'Dr. Wood's' in the house."
 Price 35c, a bottle; large family size 60c. at all druggists and dealers.
 Put up only by The T. Milburn Co., Ltd., Toronto, Ont.
