living in Vancouver.

Miss Laxton was formerly a member of the teaching staff of Booth School in this city, which position she resigned last July. Since that she has been living at home at Mission.

Mr. Probus-Pleming was for several years with McRae Brothers and later with Rose, Cowan & Latta in this city. Since last summer he has been living in Vancouver.

H. G. Olsen, Smithers manager for the Hanson Lumber & Timber Co., left by this morning's train on his return to the interior after having spent several days in the city on company business.

will have new waters this year, The season for salmon in New Ontario's most celebrated trout according to Wm. Barber Haynes, Brunswick is from May 24- country embraces rivers and writing in "Outdoor Life and September 30. In the Restigouche streams north of Lake Superior Recreation." The latest bid for River and its tributaties, such whose names many anglers are the favor of the sportsman is the fishing is permissible from April 1 already familiar with. In this secopening of part of that famous to August 15 only; the limit is tion special bungalow camps are salmon river, the Restigouche, to 30 per week. The salmon season in at your service, operated by the any sportsman who can pay a sum Nova Scotia is from February 1 Canadian Pacific Railway, they for a day's fishing. Heretofore, it to August 31. afford every advantage of an outhas been impossible for anybody Quebec's trout streams are many door life just slightly lightening to fish the Restigouche unless he and widespread, and are easily the hardships especially for those rented fishing water for a term of reached making them deservedly who wish to have greater comforts

several years. Now the province popular both with Canadian and than a tent and camp outfit has made it possible for men in American fishermen. Satisfying affords. The season here opens ordinary circumstances to put up sport is to be had in the streams May 1. Distant fields are always money enough for the realization in the Lake Edward district north green, and distant streams appear of anglers' dreams-a week's fich- of Quebec City. The Province of more green, while pools grow ing for the salmon of the Resti- Quebec has a wealth of attraction darker as imagination, pictures for the sportsman. No portion of fishing days in spring. gouche in New Brunswick.
