McLEAN WAITS MORE PROGRESS

SALE OF P.G.E. TO C.N.R. IS IN ADVANCED STAGE IT IS UNDERSTOOD

VICTORIA, May 31.—Disposal of the Pacific Great Eastern Railway to the Canadian National Railways and the extension of the line to Prince George, North Vancouver and ultimately to the Peace River country has crystallized as an early probability, and as the dominant theme of the next provincial election, some time this year.

While Premier MacLean said only today that he was well satisfied with the announcement of the Federal Government in the House of Commons that negotiations for the purchase of the P.G.E. were under way, it was understood at the Parliament Buildings that these discussions have reached an advanced stage. This led to the belief that the Government might seek the opinion of the electors on this subject in a general election at an early date, probably in the first part of July. No announcement on election possibilities, however, was made by the Premier and none is expected until he returns here from the interior at the end of next week.

NO DETAILS YET

Details of the negotiations now under way between the Dominion and the Province were not given out at Ottawa or here. The federal authorities stated in answer to a direct question that negotiations for the transfer of the P.G.E. to the Canadian National system were under way.

"These negotiations have been under way for some months," Premier MacLean said this morning.

"All I can say at this time is that the Provincial Government is well satisfied with the progress of the discussions. At a proper time of course, I shall make a further statement on the whole question, but I do not wish to say more meanwhile."

The statement of the Dominion Government was the first official announcement that P.G.E. negotiations were proceeding, but it has been known unofficially for some months that the Province hoped to dispose of its railway to the National system in return for large land grants.

Ten Years Ago in Prince Rupert

MAY 31, 1918.

Of 17,674 men that were in employ of the banks of Canada at the beginning of the war, over 10,000 have now enlisted for service overseas.

A son was born at the Prince Rupert General Hospital yesterday to Mr. and Mrs. A. Dominato, 551 Ninth Avenue West.

Having run side by side for a large part of the way up the coast from Vancouver, both the C.P.R. steamers Princess Sophia and Princess Mary arrived from the south today. The Sophia goes to Alaska and the May to Anyox.

PRINCE RUPERT AT VANCOUVER

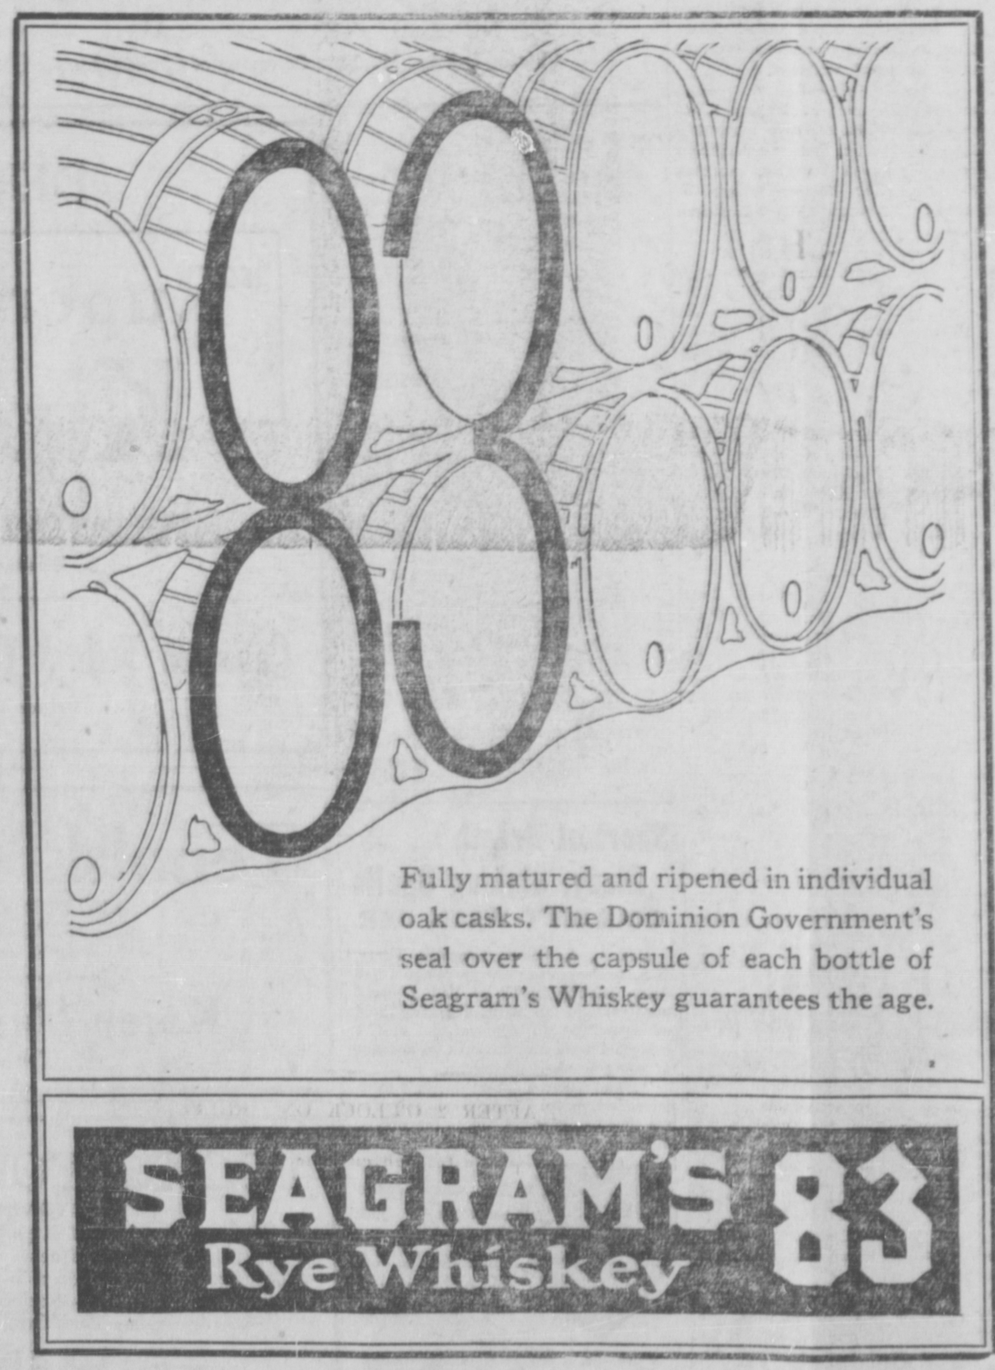

FRANK HART AND OTHER NORTHERN MEN FIGURE IN PROPOSED CELEBRATION

June 13 of next year is the date set for the big rally of surviving citizens of Gastown, as Vancouver was called in the early days of its history says the Vancouver Star.

F. W. Hart, who has been arranging the celebration, opened the first store here in 1885. He went into the furniture business and later erected a two-storey building near the present site of the Hotel Europe. This structure was completely demolished in the fire of 1886. Mr. Hart, who now resides in Prince Rupert, has conferred with the Art and Historical Society in this city, and together they have revised much of the history concerning the gastown, and have made preparations for the rally next year.

It is planned to hold the meeting on the aniniversary of the date of the last fire that swept the town in 1886, and to have the two sessions, morning and afternoon, conducted in a tent similar to that set up after the fire. The tent will be erected near the memorial fountain that marks the site of the old maple tree which stood at what is now the intersection of Carrall and Water Streets.

It is hoped that L. A. Hamilton, who was first alderman, and who laid out the townsite, will be present. Wilson McKinnon, now in Prince Rupert, who was first chief of the volunteer fire department and Andy Linton, now residing in California, who ran the first boathouse, are also expected to attend.

Fully matured and ripened in individual oak casks. The Dominion Government's seal over the capsule of each bottle of Seagram's Whiskey guarantees the age.

INAUGURATION KETCHIKAN GYRO

IMPORTANT PROCEEDINGS, IN WHICH LOCAL CLUB WILL TAKE PROMINENT PART

It has been definitely decided to form a Gyro Club in Ketchikan and, with that end in view, Ralph Bartholemew and ten other prominent young men of the "First City" of Alaska have sent a petition for a charter to the International Association of Gyro Clubs. The Prince Rupert Gyro Club, to date the furthest north and west club, will sponsor the new organization and a committee consisting of E. A. Mann, chairman, Milton Gonzales, and R. F. McNaughton, past presidents of the local club; L. W. Waugh president, and Joe Greer, C. C. Mills, R. V. G. LePine, Norris Principe and W. Cruickshank has been appointed to make the necessary arrangements for and assist in the carrying out of the inauguration of the Ketchikan Club.

Though no date has yet been set this inauguration will probably take place in July or August and joining a large local delegation going north for the occasion will probably be R. Rowe Holland of Vancouver, past International president; Clarence Lougheed of Calgary, past International president; A. Bergeron of oPrtland, Oregon, district governor, or A. B. McAdam of New Westminster, lieutenant governor as well as members of the club from Seattle, Vancouver, Victoria and possibly other cities. The Gyros from the south will also visit Prince Rupert where special proceedings will be arranged in their honor.

Fair Board, Elks and Football Association Each Get $28 Following Celebration Last Week

The Fair Board, Elks' Lodge and Football Association each realized $28 as a result of a three-way split on the proceeds of the Victoria Day celebration last week. This was reported at a meeting last night of the Fair Board and Elks when plans for the Flag Day festivities next Monday were further advanced.

G. L. Heckle of Ne wYork City, who is interested in hydro-electric power possibilities in this district, and A. C. R. Yuill, Vancouver hydro-electric engineer, returned to the city on yesterday afternoon's train from a trip to the mouth of the Skeena River. They will sail tonight on the Prince George for Vancouver.
