DODGERS LOSE TO CINCINNATI

NATIONAL LEAGUE LEADERS INCREASE MARGIN OF SUPREMACY TO TWO GAMES—GIANTS BEATEN BY CARDINALS

NEW YORK, June 9.—After suffering two defeats at the hands of the Dodgers, Cincinnati Reds came to life again yesterday and beat Brooklyn, thus increasing their recently wavering hold on the National League leadership to two full games over St. Louis Cardinals who are back in second place instead of the New York Giants whom they beat yesterday. Chicago Cubs and Pittsburgh Pirates fell back by losing to Philadelphia and Boston respectively. The Philadelphia Athletics beat St. Louis Browns in the only game played yesterday in the American League, others having to be cancelled because of rain.

Yesterday's scores: NATIONAL LEAGUE. St. Louis 8, New York 3. Cincinnati 5, Brooklyn 3. Pittsburgh 5, Boston 9. Chicago 5, Philadelphia 6. AMERICAN LEAGUE. Philadelphia 10, St. Louis 0. Others rain.

COAST LEAGUE. Sacramento 2, Missions 9. Los Angeles 2, Portland 5. San Francisco 0, Seattle 9. Oakland 1, Hollywood 4.

LEAGUE STANDINGS. National League table with columns for Team, W., L., Pct. Includes Cincinnati, St. Louis, New York, Chicago, Brooklyn, Boston, Pittsburgh, Philadelphia.

(By The Tramp). A lot of people Wednesday played Flamingo for place and made some good money. That is once where the bookies lost but they certainly made up for it on Fairway.

People who play the ponies are divided into two classes, those who always bet the favorites and those who take long shots. Those who raked in \$33 for every one bet on the Derby feel that it pays to take a chance.

The next big sporting event it seems will be the provincial election. Most of the betting on it is done during the last few days of the campaign.

"Something serious is happening to the national game of the United States, and the magnates with fortunes tied up in professional baseball are lying awake nights doing some plain and fancy worrying," says an editorial in the Hamilton Spectator, which opines that "the something that is happening to baseball is golf." The fact is those million dollar stadiums continue to be enlarged, one club last winter paid \$125,000 for the contract on an infielder, attendance figures this year are far in advance of last year, and all other years, and some players are drawing salaries four times greater than that paid to members of the Cabinet of the United States. Major league franchise cannot be bought at any price—there are none for sale. The "Spec." says golf is hurting baseball. So it is just as it is having its effect on other amusement enterprises, but baseball, with its millions of dollars of profit annually, will manage to muddle through.

Knowing how difficult it is to lure Sammy Mandell from the safe position he has won, nobody seems to have said anything about another bout with him just yet. Possibly McLarnin will be ready to try him again next summer.

In so far as the Province of Ontario is concerned, three of the "Tipster's Sheets" against which Attorney-General William H. Price started to wage war at the last session of the Legislature have been hit dangerously close to the solar plexus. Arthur Webster, Secretary of the post office department, Ottawa, has just advised Queen's Park that the "Financial Debater," a Boston publication in Canada, has been prohibited from using the Canadian mails henceforth, and that similar orders have been issued against the "Financial Criterion," another Boston sheet, and the "Original Developers' Pool," of Fort Worth, Texas. This action on the part of the postal authorities has been taken on the direct complaint of Colonel Price.

The offer of New York Nationals to play the Glasgow Rangers football team for the world championship is spoken of as the "height of optimism."

Argonauts. England's new amateur soccer club, who are applying for admission to the Football League, Third Division Southern, are in negotiation with the Wembley Stadium authorities for the use of the ground for regular fixtures. This move is brought about owing to the strong pressure brought to bear on the future amateur club by Queen's Park Rangers, Brentford and Chelsea, who consider that the Shepherd's Bush stadium (the ground originally selected by the Argonauts) is too near them for comfort. It is understood that the negotiations with Wembley officials will be brought to a successful conclusion.
