See This Diamond Ring $75.00

We have lately made a fortunate purchase from a diamond importer who offered a special inducement to clear out the balance of a package.

We are having the stones mounted up in white gold rings to sell at $75.00, and you will say they are beauties.

The stone has quite a large appearance for the money and is of good color. This would make a nice moderaate priced engagement ring, but we have others with larger stones at higher prices and some as low as $15.00.

PORT SIMPSON BEATS RUPERT

Smallness of Hall and Rough Play Hampered Local Cagers in Game Saturday Night

Prince Rupert lost a return game with the Y.P.E.A. of Port Simpson at Port Simpson on Saturday night by a score of 32 to 24. In the small hall and faced with all manner of rough playing tactics on the part of their opponents, the locals were feeling anything but at home. The boys who played say that it was more like a rugby game than basketball. Lee Dell of Prince Rupert refereed the first half and held things fairly in check but when W. E. Kelly of Port Simpson handled the whistle during the second period almost everything was allowed although George Mitchell of Prince Rupert was retired from the floor for some mysterious reason. A. Slocomb was knocked cold in the first five seconds of the game but came to and continued to play. Dido Gurvich came out uninjured although he had to perform some gymnastic stunts. Score at half time was 18-13 in favor of the Y.P.E.A.

The locals report having been given an enthusiastic reception at Port Simpson. After the game there was a dance which was followed at midnight by a party at the home of Walter Benson where a big supper was served.

Arrangements were closed for the Port Simpson Athletic Club, holder of the Northern British Columbia basketball championship, to play here for the title on Friday night of this week with a return game at Simpson on Saturday.

The local players made the trip aboard the fish packer Elmer C., Capt. Johnny Clausen. They left at 5.30 Saturday night and returned at 11.30 Sunday morning. Heavy fog caused delay in the return trip. Besides the players, those making the trip included Lee Dell, Doug. Stalker, Clarence Thomson, Ernie Ratchford, Billy Bacon, C. Watson and W. Murray.

Individual scoring in the game was as follows:

Y.P.E.A.—A. Wesley, 6; R. Sankey, 8; P. Reid, 16; A. Tait; W. Johnson, 1; R. Knott; H. Bryant, 1. Total 32

Prince Rupert—Ralph Smith; Jack McNulty, 9; A. Slocomb, 6; Dido Gurvich, 6; Vic Menzies; George Mitchell, 2; Spiro Gurvich, 1. Total 24

HEAVIER ARMOR PUCK CHASERS

Fibre Helmets, Face Masks and Other Protective Measures Have Been Suggested

TORONTO, Feb. 20.—Following the more or less severe injuries suffered by several professional hockey players this winter, the adoption of fibre helmets, similar to those worn by jockeys on many race tracks, guards for the sharp points of skates, and some means of protection for the putt ends of hockey sticks, are being urged by sporting writers and enthusiasts in Canada and the United States, and its is probable that regulations by the powers-that-be will compel the athletes to use some of this protective equipment.

The National and Canadian Professional Hockey Leagues, exclusive of other minor professional and amateur loops, have suffered greatly through injuries to players in the present season, and with the heavy checking, fast skating and hard playing which is now featured, players take heavy risks every time they come out.

Final games in the recent Bonspiel at Prince George were played last week. J. C. Pidgeon's rink won the Kelly Cup, the big prize of the meeting, by a score of 9-7 in a close match with the C. C. Wright rink. The victors, who were J. C. Pidgeon, F. C. Whitmore, Paul Wieland and F. A. MacCallum became custodians of the Kelly Cup for the year and, as prizes, received an issue of sweaters while the losers—C. C. Wright, Cyril Dupre, Edward Opie and Arnold Putnam—got hampers of groceries. In the consolation series the rink consisting of M. S. Morrell, skip George Milburn, T. S. Carmichael and J. W. Miers got hams and sides of bacon in defeating John Ferguson, skip, T. A. Griffith, Fred Bustin and Rev. S. T. Galbraith.

Smithers curlers have been able to keep active during the week. Protected as it is, the ice did not suffer greatly from the mild weather and with a brief vacation and slight drop in the temperature the players were able to resume the schedule in the inter-rink competition. Al. Finnerty's four set a new rink record last week, when in a regular game he piled up a total of 21 points, annexing 7 in one end. D. D. Munro skipped his rink to defeat through the soft ice conditions preventing scientific play. This week, through the good ice and consequent necessity for scientific play, he led his rink to another defeat.

Pattern, design and color sell the average suit. Real honest-to-goodness hand-tailoring is the thing that counts most however in the repeat order end of the clothing business.—"Society Brand" suits are in the repeater class because they have "Hand-built foundations."

As the foundation of a suit is not visible in the finished garment, one must have confidence in the house one deals with. "Society Brand" has built up a business unequalled in Canada for businesses are built on public confidence. Dido Gurvich, local boxer, is to be given the opportunity about March 14 of peddling his wares to outside talent in the person of Jimmy McDonald of Vancouver who is said to carry considerable stuff in his mitt. Negotiations have resulted in the receipt by Ralph Smith, manager for Gurvich, of a telegram from Jack Allen, well known Vancouver promoter, stating that McDonald will be ready to leave for Prince Rupert immediately after February 29. He is expected to reach here on March 4 and will have ten days to work out and show local students of the fistic art what he has besides a reputation.

It is planned to arrange an attractive card of preliminaries.

PEACE RIVER MEMBER DISCLAIMS INTENTION FORMING NEW PROVINCE

EDMONTON, Feb. 20. — Residents of the Peace River district who went in for the more serious type of thinking never gave much consideration to the formation of the northwest corner of Alberta into a separate province, declared Hugh Allen, M.L.A. for Peace River in addressing the legislature.

In his opinion the idea was more of a "publicity" stunt than anything else. There had been some serious thought given the subject in sections of British Columbia, but the majority of deep thinking Peace Riverites had never taken kindly to the proposal.

In Peace River it was generally recognized that the government had a hard row to hoe, and notwithstanding many vicissitudes agriculture was progressing and thoughts of a new province were few and far between.

EFFORT TO COMPLETE NAVE OF CATHEDRAL

VICTORIA, Feb. 18.—The receipt by the Bishop of Columbia of a subscription to the new Christ Church building fund from the Prince of Wales, followed closely by the gift of $5,000 from a local citizen, and the prospect of the erection of the northwest tower, to be known as "The Bishop of Winnington-Ingram Tower," as a gift from friends in England, have resulted in the Bishop and New Cathedral executive committee deciding to take steps this week to form a committee locally, to be called "The Committee for Completing the Nave of the New Christ Church Cathedral," and to recommend that a public appeal for subscriptions be made early next month.

AERO CLUB GROWING UNDER AIR LEAGUE

VICTORIA, Feb. 20.—Plans are steadily advancing for the formation of the Victoria Aero Club and Sydney Pickles the honorary secretary reports that the membership in the proposed flying club is growing daily. The club, which is being sponsored by the Canadian Air League, is being formed for the purpose of developing air-mindedness and active flying interest and also for the training of private pilots in this community.
