The Racer

I use Champion Spark Plugs because I know I can depend on them—no matter how tough the going.

Champion is the better spark plug because it has an exclusive sillimanite insulator specially treated to withstand the much higher temperatures of the modern high-compression engine. Also a new patented solid copper gasket-seal that remains absolutely gas-tight under high compression. Special analysis electrodes which assure a fixed spark-gap under all driving conditions.

TERMINALS COP LEAGUE TITLE

CINCHED CITY FOOTBALL CHAMPIONSHIP WITH EASY VICTORY OVER THISTLE

Terminals about cinched the City League last evening when they won over Thistle 5-1 in a game which was always interesting though Terminals had the edge specially in shooting and because of their superior defence.

Thistle were without Murray, S: Erskine and Jock Campbell while Terminals were at full strength.

Harrison opened the score for Terminals with a long shot and this was all the scoring in the first half.

With the hill in their favor in the second half, Terminals pressed and a swerving pass of Currie's swung into the top corner of the net to put Terminals two up. Menzie was very safe in Thistle's goal. Dickens made it three from close in and then W. Mitchell scored for Thistle. Campbell punched a fine shot and saved again from Chenoski. Chenoski scored the finest voal of the season when he volleyed a cross from Currie into the net first time. Thistle pressed but could not beat Menzie and Burdett put Terminals five up after Harrison hit the cross bar. Full time found the Terminals easy winners 5-1.

Teams—Terminals—Menzies; Skinner, Donald; Hill, Currie, Howe Harrison, Strachan, Dickens, Burdett, Chenoski.

Thistle—Campbell, Haig, Farquhar, Mitchell, Hadden, Woods; J. Currie, H. Erskine, A. Mitchell, W. Mitchell, A. Hadden.

SPORT CHAT

Battling Dido Gurvich's name has been spreading afar for the local boy has been nominated in a boxing popularity contest that is being conducted by the Los Angeles Referee, a boxing weekly. The boy receiving the most votes will be declared the most popular boxer in the west and will receive **adiamond studded gold belt given by** the Referee. True Dido only has ten votes, which only signifies that some friend has nominated him, but he is at least on the map though he will have to get 13,883 times more votes if he is going to get the jewel bestudded girdler from the present leader, Charley Greenberg.

With the Tunney-Heeney bout proving a financial flop the boxing fans, knowing that the former champion is the biggest drawing card in the history of boxing, will be watching the Manassa Mauler for signs of a come-back. **Tex Rickard is sure to try o induce** the ex-title holder to enter the ring. The days of huge gates are over but a Dempsey will draw enough to make the promotional end of a bout very attractive to the New York promoter. Tunney probably didn't draw a dime more than Heeney. The fact that a world's title was envolved was the only money magnet.

While all branches of professional sports are going along nicely, the amateurs are continually having their squabbles. The Olympic games committee pulled the usual and investigated Charles Paddock only to white wash him. Then the United States Lawn Tennis Association barred Bill Tilden from the Davis cup competition and then right-about-faced and handed him a clean bill of health. It would seem that it is high time for amateur athletics to receive a shaking up, not among the contestants but among the boards and committees in control. The A.A.U. is dominated by a set of officials who must break into print occasionally at the expense of some such athlete as Paddock. The tennis association officials are frequently taking pot shots at Tilden. There are athletes practically unheard of who could be attacked with just as much or more consistency, but what A. A.U. officials would get his name in the papers if he attacked the eligibility of some Joe McGee who competed in the high jump at some minor meet in the Rocky Mountain region but took a five dollar note for playing a game of baseball on Sunday? One has to be great or near-great to draw an attack from the powers that be.

GIANTS MAKE FURTHER GAIN

ARE BUT THREE GAMES BEHIND CARDS WHO LOST AGAIN NO CHANGE IN AMERICAN LEAGUE

(Special to Daily News)

NEW YORK, August 11—Taking an easy 8 to 4 victory from the Phillies while the St. Louis Cardinals continued their losing streak with a ignominious 12 to 2 loss to the Pittsburg Pirates, New York Giants climbed closer to the National League supremacy yesterday. But three full games now separate the Cards and the Giants and the prospect is that there may be as sensational a finish in the National League as is anticipated in the American. Pittsburg, as a result of recent successive wins, is now but half a game behind fourth place Chicago Cubs and a single game behind the third place Cincinnati Reds.

New York Yankees maintained their four-and-a-half game lead over the Philadelphia Athletics in the American League by winning over Boston while the Athletics shut Washington Senators out 8 to nil. Chicago White Sox, by winning over St. Louis Browns, went into fourth place above the Cleveland Indians who lost to Detroit Tigers. The Tigers went into sixth place over the Senators.

Yesterday's scores:
