XTENSIVE BOOKINGS ALREADY MADE FOR COMING SUMMER MOSTLY ON ROUND TRIP

Included among the thousands of tourists who will move through Prince Rupert during the coming summer will be many large organized parties which will travel by Canadian National railway and steamers. The 'National" will have a greatly increased number of tourists in 1928 on the popular Alaska and Triangle trips and all of them will be given ample opportunity of seeing Prince Rupert in some stage of their itineraries. R. F. McNaughton, C.N.R. Front Bumper and Rear district passenger agent, today announces some of the parties that will be here.

The first large group will be the New England delegation, numbering some two hundred persons, which will pass through here enroute to the International Kiwanis Club convention in Seattle. They will arrive here by special train from the East on June 15 and, to take them south, a special sailing has been arranged for the steamer Prince Rupert which will leave here for Vancouver at 4 o'clock on the afternoon of the party's arrival. On this account, there will be no regular sailing on June 15 to Anyox and Stewart nor south on June 16.

On July 7 the seventh annual Canadian National Railways Personally Conducted Tour party, numbering some two hundred or so persons from the prairies, will be here. The group will arrive on a special train and sail for Vancouver on the steamer Prince
