Ten Years Ago in Prince Rupert

November 26, 1918 The fisheries patrol steamer Malaspino, representing the government, will have the place of honor in the marine parade which will be held here tomorrow as a peace demonstration. In the evening there will be a patriotic program at the Exhibition Hall. There will also be a street parade, torchlight procession and bonfire.

Much damage was done by a severe gale which visited the city last evening. Windows were blown in, all street lights were out of commission, sidewalks were blown away and the waterfront also suffered.

A committee consisting of W. H. Montgomery, Charles Edwards and Bob Hanna met the city council last night and discussed the use to which new floats being built here by the provincial government will be put. Mayor McClymont and Ald. Casey were appointed a committee of the council to go further into the matter with the fishermen.
