BRINGING UP FATHER

By George McManus

HAPPY SPEECH BY COMMANDER

CAPT. COLERIDGE OF H.M.S. DURBAN EXPRESSES APPRECIATION FOR RECEPTION HERE

An interesting diversion at last night's boxing tournament in the Exhibition Hall was a brief address by Capt. George Lincoln Coleridge, the genial and hearty Englishman who is the commander of H.M.S. Durban. Going into the ring and couching his remarks in humorous vein, which went over strong with the crowd, Capt. Coleridge expressed his appreciation for the efforts of the unfortunate young people who had participated in the bouts. He also extended the thanks of himself, his officers and men to the promoters of the many sports which the personnel of the ship had been privileged to attend and participate in while in Prince Rupert.

"Our ship," continued Capt. Coleridge "has been a long way and long away but I feel sure that the officers and ship's company will acknowledge that we have received no better reception all the way around the world than you people of Prince Rupert have accorded us. For that reception we desire to thank you all."

Remarking that the ship would move up from her present jetty at 5 o'clock Wednesday morning to load oil and would sail about 10.30 or 11 o'clock for her next port, Capt. Coleridge facetiously warned the stokers to take notice and admonished men—and officers, too—that no waving to sweeties would be allowed even though he, himself, might be tempted to bid such a farewell.

Led by Ben Self and the ship's band, the big crowd gave enthusiastic musical honors for Capt. Coleridge and there were cheers for the captain and his men.

SMITHERS

Hon. T. D. Pattullo, minister of lands addressed a large and enthusiastic meeting in Telkwa on Tuesday night last on behalf of Dr. H. C. Wrinch, M.L.A., Liberal candidate for re-election in Skeena. Hon. A. M. Manson, attorney general, addressed an enthusiastic meeting in Smithers last Thursday night.

The local Board of Trade has made arrangements to entertain the annual Triangle Tour party of the Canadian National Railways which is due here on July 28. They will be taken for an auto trip through the district and a dance will be given in their honor.

The Forest Branch is putting in a telephone line which will connect the Topley-Richfield mine with Smithers.

Torrential rains last week caused the mountain streams to swell to such heights that severe damage has been caused to mining roads and bridges throughout the district. The provincial departmen tof public works has replacement work in full swing.

J. A. McLaren, editor of the Barrie (Ontario) Examiner, and Mrs. McLaren paid a brief visit here last week, being enroute to Alaska after having attended the annual meeting of the Canadian Weekly Newspapers' Association in Edmonton. Mr. McLaren was met here by L. B. Warner, editor of the Interior News, with whom he started in the printing and newspaper game thirty years ago.

ALICE ARM

All three candidates for Atlin in the forthcoming provincial election—T. W. Falconer, Conservative; H. F. Kergin, M.L.A., Liberal, and W. M. Moult, Independent—addressed a public meeting held here last week under Conservative auspices. Mr. Kergin and Mr. Moult were both invited to speak and both accepted the opportunity. Other speakers were Capt. George Black, M.P. and the chairman, J. Trinder. Both Liberal and Conservative camps claim a big majority at the polls tomorrow. It is conceded that W. H. Moult of Anyox the Independent, will not cut much of a figure.

Charles Gordon and F. H. Hoadley, the latter a Smithers school teacher, arrived here last week by the overland route from Aiyansh. They proceeded to the Queen Charlotte Islands on a prospecting trip. Mr. Gordon plans to take up residence in Alert Bay.

T. W. Falconer, Conservative candidate, and Capt. George Black, M.P., spoke at Premier last night and will have their final meeting here tonight.

A search is being carried out for the body of William Fillier, who is believed to have been lost in a snowslide on the north fork of the Marmot River last winter. Close to a creek, Herbert Charlton found a toque which he believed to have been worn by Fillier.

The sawmill on Bitter Creek for the Canadian Northeastern Railway was completed on Sunday and is now cutting lumber. The first cut will be to provide lumber for the completion of mill buildings after which regular cutting will be commenced.

NEW HAZELTON

On instruction of Dr. H. C. Wrinch, M.L.A., it was decided last week to delay the closing of the Hagwilget high level bridge to traffic until the detour road by way of South Hazelton is put in shape.

A large attendance greeted Hon. T. D. Pattullo and Dr. H. C. Wrinch, M.L.A. at a public meeting in New Hazelton last Monday night. George D. Parent was chairman and M. P. McCaffery of Prince Rupert was also a speaker. At the close of the meeting a vote of thanks was moved by Mrs. W. S. Sargent.

Miss Ralphena Wrinch, who is here from her nursing duties at the Royal Jubilee Hospital to spend a vacation has been spending the past few days in Telkwa.

Thomas S. Davey, M.E., of the Alexandria Gold Mines Ltd., of Toronto is expected here soon enroute to examine the Hyland Basin and Babine Bonanza properties in the Babine.

While here he will also make an inspection of the Velvet group, formerly the Silver King, on the south slope of Nine Mile Mountain.

Miss Bird of the Hazelton Hospital nursing staff has returned to her duties after having spent a holiday visiting at Port Simpson with Dr. and Mrs. R. G. Large.

Rev. W. B. Willan, a former pastor of Hazelton arrived last week by motor from Vancouver, accompanied by Mrs. Willan and children. They are spending a vacation visiting with Mr. Willan's brother, J. H. Willan. Mr. Willan occupied the pulpit of the local United Church yesterday, Miss Jean Burns being a soloist for the occasion.

George D. Parent left at the end of the week for a holiday which he will spend prospecting, along the railway. He is being relieved by Howard Walton.

LACROSSE NOW IS ORGANIZED

Organization of lacrosse in Prince Rupert was effected at a meeting last night in the City Hall over which R. S. Woods presided and at which there were some twenty-five persons in attendance.

Officers were elected as follows:

Honorary President — W. J. McCutcheon.

Honorary Vice-presidents—Hon. T. D. Pattullo and James H. Thompson.

President—Ald. A. J. Prudhomme.

First Vice-president—B. F. Self.

Second Vice-president—B. J. Bacon.

Secretary-treasurer—G. S. Russell.

There was a general discussion as to the organization of a junior league and, as a starter, a game will be played on Thursday night between teams bearing the names of Young Conservatives and Young Liberals. Later it is expected to organize a league consisting of three teams sponsored by the Elks, Native Sons of Canada and Gyro Club.

SPORT CHAT

Ray Schalk has joined the long procession of those who have managed the Chicago White Sox. Before a double-header with the St. Louis Brown's last week, he advised Charles Comiskey, the club president, that he was through. Schalk explained that the team was being built around young men, and for the good of the organization he believed another manager should be named. Lena Blackburne, veteran infielder, an assistant coach under Schalk, temporarily was named manager. Schalk succeeded Eddie Collins as manager of the team last year. His team finished the season in fifth place. When the Sox went south to train last winter, the South Side fans were optimistic that the team would be in the race this year. Until a few days ago it was in the cellar. Now it is seventh. After returning to the ranks Schalk went out to catch young Ed Walsh, son of the veteran White Sox pitcher, in his major league debut. Schalk was one time a battery mate of the youth's father. Young Ed was graduated from Notre Dame last month.

Another of the great tennis players is passing into that neglected niche reserved for the heroes of yesteryear. William T. Tilden II has been beaten in singles and in doubles at Wimbledon. That great Quaker, thespian, literateur and generalissimo of the American tennis expeditionary forces succumbed to Rene Lacoste, and then he and W. T. Hunter, Tilden's strongest lieutenant, fell before the onslaughts of Gerald Patterson and John Hakwes. Maurice McLaughlin, the California comet, the Dohertys of England, Norman Brookes and the gallant Wilding have shown the way for Tilden's exit. No more glorious pages in the history of tennis have been written than by these invincibles of another day. And Tilden. Large Bill Tilden may have been been the greatest of them all. Argument along that line is about as useful as battling wordily over the relative merits of present day heavyweight champions and those of earlier days. Tilden, it is true, may yet lead his coherts to Davis cup victory in that dear France. But youth, speed and court generalship seems to be embodied in the lithe frames of Cochet former ball boy, Rene Lacoste, scion of millions, and Jean Borotra, graceful Bounding Basque.

Ladies specially invited to the Westholme Theatre meeting tonight at 8.
