BRINGING UP FATHER

DAY ENJOYED AT LITTLE'S ISLAND

TERRACE, July 5 .- The Terrace Wo-.nen's Institute and the Terrace Asmbly Native Sons of Canada joined forces this year in the Dominion Day celebration. The affair took the form of a basket picnic, held at Little's island and was undoubtedly the most successful picnic ever held in Terrace Weather conditions were ideal, it being warm but cloudy throughout the day. The picnic grounds, which are situated a mile south of town along solma Greig. the bank of the Skeena, were in splendid condition and a more suitable spot for a picnic would be hard to find. By ucon a large crowd had gathered, tables were set and thoroughly enjoyed the abundance of

good eats produced from the baskets During the afternoon a full list of sports was carried through and created keen interest, the entire crowd, grownups as well as children entering into the spirit of the day's celebration in a very sportive manner.

Later the children were lined up and each child was given two tickets for ice cream cones. About two hundred and fifty tickets were handed out nd there was a great scramble for the refreshment stand.

The children also greatly enjoyed a scramble among the new mown hay piled on the grounds and a number also braved the cold waters of the Skeena and went bathing.

Supper was served about five o'clock after which all left for home, pronouncing it one of the best holiday celebration ever held here.
