Her Baby Wakes up Laughing and Cooing

"I started using Eagle Brand for my five months old baby two months ago. Now she wakes up laughing and cooing and is more than satisfied. No more getting up nights, as she gets only one bottle, going to bed, and no more till 7 a.m. She won a third prize at a recent baby show and I know Eagle Brand helped her to win. She weighed 6 lbs. at birth but is now over 13 lbs. If any mother would like me to tell her about Eagle Brand I would be pleased to do so. I only wish I had known about it sooner as it cannot be too highly recommended."
