COMPLAINTS AT HIGH SCHOOL

LACK OF CO-OPERATION BY PARENTS IS CHARGED BY PRINCIPAL PEDDIE

Laxity of parents of high school students was mentioned by Principal Peddie at the school board meeting last night in his report to the trustees. The principal complained that there was laxity in not sending the pupils to school on time and in the matter of excuses for tardiness.

Another matter along similar lines was a report that many failed to pay an assessment for damages to school property done by the pupils. A few had paid but the largest number had refused. Mr. Peddie suggested that if a prospectus were presented to the parents at the beginning of the term with the rules and regulations there would be a better realization of responsibilities.

RECEIVING CLASS AT BOOTH SCHOOL OPEN ONLY IN SEPTEMBER

At the school board meeting last night it was decided that hereafter those would be no beginners taken into Booth School in February, the receiving class being open only once a year at the beginning of the school term in September.

Those children who become six years of age before February 1 will be allowed to begin school in September but if they do not begin then, they must wait until the following September.

The recommendations to this effect was made by Miss Mercer, the principal, and accepted by the board.
