

Man in the Moon

I think I shall go out and buy a Derby hat for Christmas. I know then that no matter what my holiday condition nobody will steal the tile.

Instead of making new resolutions at the end of the year I'm going to make a list of the discarded illusions during the past 150 years of my life.

What this country needs is more Christmas presents. Then there will be nothing to buy during the rest of the year.

What I need is more cash in order to be able to buy Christmas presents for myself.

Beauty is something of a skin game.

No man minds criticism if he is right but if he is wrong it hurts badly.

Nickel cigars are useful if you want to get rid of some old friends.

A great many people do not seem to realize that they can buy matches at almost any store in town.

The people of India will be ready for self-government when they become like us. It is to laugh.
