IS PROSPECT

NEW LAND BEING BROUGHT INTO CULTIVATION READY FOR NEXT YEAR

WINNIPEG, July 10 .- With the daily showers and warm weather which has prevailed throughout the whole of Western Canada during the past week, crops of all kinds have made remarkable progress. A few local districts in the southeastern part of Manitoba report some damage from excessive rainfall. At Three Hills, Alberta, and in the Carman to Belmont, Manitoba. districts there has been some slight damage from hail. Wheat is reported as well advanced in the shot blade and some districts throughout the central parts of Saskatchewan and Alberta report it fully headed out to the extent of 80 per cent and present indications are that it will be a heavy

Coarse grains are also making rapid growth and a few districts in central Manitoba report barley as heading out. Fall rye which at present bids fair to be a record crop is expected to harvest two weeks earlier than last! year. With the exception of a few local districts in northwestern Manitoba and central Saskatchewan which report some growth of weeds in last year's summerfallow there does not appear to be any loss through weed

At Craik and Bienfait, Saskatchewan some sign of rust is reported but in neither district is it considered serlous. Owing to favorable conditions for breaking there is considerable new land being brought under cultivation throughout the prairie district of central Saskatchewan and Alberta.

Northern and central Alberta report Excellent hay crops which is also very promising throughout Manitoba and Saskatchewan.

Present reports from all districts would indicate that there is sufficient moisture at the present time to last for three weeks and that only warm weather is needed for the development of all crops in order that they may mature properly without excessive growth which might have a tendency to delay maturing in the proper sea-

REMOVAL OF BORDEN STREET SIDEWALK IS PROTESTED BY BOARD

LAND ACT

Dated May 3, 1928.

CONTRACTOR IS FINED FOR VIOLATING CITY BUILDING STATUTES

For putting shingles on a roof within city fire limits No. 2, C. K. Ytoeberg was fined \$25 in the city police court today. He admitted to violating the nunicipal regulations in work on a cottage on Third Avenue near the corner of Second Street. A second charge against Ytoeberg of putting on a roof without a permit was withdrawn. E. J. Jones, city solicitor, prosecuted the charges which were laid at the instigation of the city engineer.
