Outstanding Was Joe Wright's Performance at Henley and the Olympic Games

The most outstanding sport events of the past year were the most creditable performances of Canadian athletes in Europe. On July 7 Joseph Wright Jr. of Toronto won the diamond sculls at Henley regatta, the second Canadian to capture this coveted amateur trophy.

Canada was represented at the Olympic games by a carefully selected contingent of young men and women who did honor to the Maple Leaf. Percy Williams, a young and hitherto unknown runner from Vancouver, B.C., astonished the world by winning both the 100 and 200-metre races with ease, while Ethel Catherwood of Toronto, Ont., broke the world's records for the running high jump. The Canadian girls won the coast. The school building and in other events proved that was beautifully decorated for the they were a credit to Canada and to clean athletics.

President Fishing Vessel Owners Association Sees Ruin in Proposed Changes

SEATTLE, Dec. 31.—Captain Jacob Engdahl, vice-president of the Fishing Vessels Owners Association, on Sunday forecast the ruin of the North Pacific halibut industry if recommendations put into effect of the international fisheries commission, which would establish areas where the total catch may be reduced by pre-determined percentage and would require vessels to clear from stipulated waters.

"It promises to annihilate the December permits were as folindustry. It's a case of fight or lows: die," the captain said.
