SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free or partly free permits are available for settlers, campers and travellers, up to ten head.

GOLDBLOOM HAVING 20TH ANNIVERSARY CELEBRATION NOW

William Goldbloom, the pioneer fur dealer, is celebrating the twentieth anniversary of his entry into business in Prince Rupert. During these twenty years he has sold thousands of dollars' worth of fur coats—and defies complaint. He does not sell electric seal for seal coats nor dogskins for rat coats. Everything in his stort has the Goldbloom guarantee—if goods are not satisfactory, you get your money back. Fair dealing with all, both buying and selling—has been the secret of success in the Goldbloom business.

Buy your fur coats from the full Goldbloom stock at little more than wholesale prices. We have a full stock of all kinds of fur and are agents for one of the largest fur houses on the continent. If we have not what you desire, we can get it—and get it quick!

FRIENDLESS PEOPLE ANXIOUS FOR MATES

Vicar of South Mimms Flooded With Letters from Lonely Men and Women

LONDON, Aug. 28. — Since the vicar of the village of South Mimms, in Hertfordshire, drew attention to the fact that there had not been any marriages in his parish for fourteen months the news has leaked out that four young women in the village, between the ages of 18 and 25, have become engaged to South Mimms men, and that six other are affianced to lovers in other districts. Meanwhile the vicar continues to receive letters from young people of both sexes in all parts of the country who are seeking someone to share their life. Hundreds of letters arrive at the vicarage daily from young men and girls, most of whom tell of lonely lives and the lack of opportunity to make suitable friends.

Here is a typical letter from a hospital nurse: "I have read about the girls of South Mimms. I though perhaps you would be able to help me in my loneliness. I am a trained nurse, 26 years of age, dark, of medium height, and considered good looking, but the loneliness is appalling, and I long for some friend with whom to correspond. I therefore appeal to you, who are evidently out to help others. If only the Church would bring us friendliness and companionship what a difference it would make to the lives of hundreds of lonely girls like me."
