almon Run at Skidegate now on-Yacht "Discovery Isle" in Port-Some Canneries Close

The salmon run has been keeping all hands very busy for the last week but with sockeye fishing closing today many of the canneries are closing down and most of the rush is already over. The close of the sockeye fishing affects the Bushby plant at Tuck's Inlet too where there will be much less activity from now on-

Many of the schoolboys on holidays and more than a few older folks have been amusing themselves in "dibbling" for salmon in the harbor, and more than one household has had fish for dinner without buying the fish through the fish dealers.

THE PRINCE RUPERT DAILY NEWS

Lampaign Department

Open Daily 9 a.m. to 8 p.m.

Phone 534

No candidate will be permitted to enter The Daily News office after 9 o'clock, Monday night, August 20 for the purpose of turning in subscriptions to apply on the big votes of the first period. All candidates in the office by that time however, will be waited on and their subscriptions will count on the present big vote schedule.

ANY subscriptions mailed in ANY postoffice ANYWHERE which are postmarked not later than 12 p.m. (midnight) Monday, August 20, will also count on the big votes in effect until Monday night only, even though they do not reach this office until Tuesday or even later. Those candidates who live in towns where the mail is not postmarked frequently will be given first period votes on all subscriptions postmarked for the first mail after midnight next Monday, August 20.

Every candidate should make this period the BIG PERIOD in their campaign. The biggest vote offer of the entire campaign is in effect until next Monday night only. Every subscription you get by Monday night will count you many more votes than it will at any later date in the campaign. You must work now to win.

Campaign headquarters located on the second floor of The News Building; 243 Third Avenue, are open each day from 9 a.m. until 8 p.m. (next Monday night until 9 p.m.) Come in today or this evening and receive full particulars. YOU CAN WIN BIG. ENTER NOW, PHONE 534.

It's Neck and Neck in The News Big Race!

In just one more working day the biggest vote period in The News \$4,000 "Everybody Wins" Subscription Campaign will be history and the voting value of subscriptions will be reduced. After 9 P.M., Monday, August 20, subscriptions will count less votes and they never again will count so much. A lead held at the beginning of the second period will be more easily maintained. Most candidates are right at it, busy collecting in the promises made earlier in the campaign. Others are going back to their rfiends who have previously subscribed to get them to subscribe for another year or two; a very few long term subscriptions turned in NOW may be the very ones needed to "cinch" the prize of your choice.
