The Prince Rupert Amusement Company was organized for the purpose of operating a moving picture theatre in the City of Prince Rupert. Up to the present the Company has operated in a rented building but has now completed construction of a very fine building on the main street of the City at a cost of approximately (including value of land) \$109,000. This building has been leased to B. C. Paramount Theatres Limited for 15 years on the following terms: Rental \$8,000 per year, together with one-half the net profits remaining after payment of such rental and other operating expenses. The Lessor also gives to the Lesee an option for three years to purchase the said property for \$150,-000. If this option is not exercised then the Lesee will, during the balance of the term pay \$12,000 per year rental in lieu of \$8,000 and one-half the net profits.

According to official records, five-sixths of the issued capital of B. C. Paramount Theatres Limited is issued in the name of Famous Players Canadian Company Ltd.

Interest and Sinking Fund on these bonds will amount to \$6,850 per year.

This amount is fully taken care of by the rental to be received from the Lessee without taking into consideration any revenue to be derived from prefits.

In addition to the above, the Prince Rupert Amusement Company will have a rental of about \$2,500 per year from three stores in the new building. This will be more than ample to take care of all real estate taxes and incidental expenses.
