III THE Daily News P4, UU FIZE Campagn

Publication of the first vote count today does not mean that nominations are closed. Far from it.. This campaign is only starting. There are far more candidates who have not assemplished anwthing than there are who have. The campaign is hardly under way yet. Certainly some have not gotten into their stride yet. Live, earnest, energetic candidates—subscript tion getters—can enter NOW and WALK AWAY from slow-going entries. Speed, pep, work—subscriptions—will win. YOU SHOULD BE ACTIVE IN THIS CAMPAIGN-IT WILL PAY YOU BIG.

Looks Like 2 Enclosed Cars Will Go for Less Votes Than Required of Old "Piano and Ring Prize Campaigns.

Many Candidates Who So Far Have Done Nothing to Help Themseles Have Received Votes Through Friends From present indications these big prizes:

The latest 1928 Model Pontiac "6" Two Door Sedan, value \$1,200 The latest 1928 Model Ford Tudor Sedan, value . . \$860 The \$500 cash prize, value And the two \$100 Cash prizes, value \$200

Each a real prize—are going to be given away for less votes than usually are required when sewing machine, a phonograph, a wrist watch or a cheap diamond ring are given away.

BIG PRIZES WILL GO FOR LITTLE

That is the honest truth Votes turned in so far would not justify one of the old-time piano, sewing machine and ring campaigns. The lack of interest manifested by candidates in general is not only regrettable; it is appalling. It is ridiculous. Yes, and it is serious.

Here The Daily News is putting up over \$4,000 in enclosed automobiles and Cash Prizes. And some who have entered are content to stand idly by and let their friends east votes for them.

In fact, more votes have been cast, in many instances, by subscribers themselves over the counters in The Daily News office for candidates than the candidates themselves have turned in.

This means that friends who would subscribe or renew anyway in the natural course of business, come to The Daily News office, pay their subscription without solicitation and, because they are friends of the candidates, cast votes for their friends. Some candidates, too, are only coupon chasers, who would rather spend profitable time running after coupons when a subscription will offset a whole flock of them.

Of course, that is perfectly all right. The Daily News desires business, and business makes votes-either from subscriptions or coupons. But The News also wants to see candidates manifest some enthusiasm themselves in their own campaign.

It takes more than friends to win. It takes work. Work means subscriptions. Subscriptions mean votes. Votes mean prizes-

IN SACKCLOTH AND ASHES

Sooner or later in this campaign a candidate or candidates now entered, or one or more who will yet enter, will get their stride and the drones are going to find themselves weeping in sackcloth and ashes at the roadside, while the live ones spin past in their big motor tacrs-motor cars won through consistent effort.

No one need be a drone. Everyone has it in him or her to accomplish, to do. That dormant power, though must first be awakened.

GET BUSY! WAKE UP!

You candidates who are in. You have been nominated. Your friends have helped you. They will continue to help you. Some of you are willing to help yourselves. Others of you have yet to see the light. Wake up! Start doing. Accomplish. You can win-

You who are yet "considering" should start now. If you WILL go in to win YOU WILL WIN BIG. WORK WILL WIN.

100,000 Extra Votes

Every \$15 club of subscriptions, either NEW OR RENEWALS, will entitle you to 100,000 E7TRA votes in addition to the usual votes issued at the time each subscription (see regular vote schedule) is turned in.

This big offer, coupled with the present liberal vote schedule, is the biggest and best vote offer of the entire campaign. Subscriptions are worth more votes these next few days than they ever will be

again. A \$15 club may include subscriptions of any length of time up to six years.

A candidate has the privilege of turning in more than one club. Two clubs, for instance, would net you 200,000 votes. As soon as you complete your first club you automatically start on your second.

Subscriptions may be secured anywhere. Candidates are NOT restricted to their own district. You many obtain subscriptions from friends and acquaintances in any district, any town, city or province,

The \$15 does not have to be turned in all at one time. You can turn in the subscriptions as you secure them. Accurate record is tept in the campaign department. The 100,000 and other extra vote credits will be figured and issued at intervals during the life of the campaign.

This 100,000 offer is the biggest and best "club" offer that will be made. If you have entered the campaign, here is your opportunity to make a fine beginning and build your way to success. If yau have just started, let this votee offer put you in the lead.

If you are considering entering, get busy now, and work hard on this big vote offer.
