DURING the mediaeval period two neighboring towns in the Old Country had long engaged in a rivalry as to which brewed the best beer. During a dispute one day in early spring, between two brew-masters, one from each of the towns in question, it was claimed by one that the Beer brewed by the other lacked strength. To settle the dispute, the following test was proposed: Each brew-master was to consume a gigantic tankard of the beer brewed by his opponent, after which he was to stand on one leg and thread a needle. The loser claimed that a goat that had butted in through the circle of men surrounding the opponents was

responsible for his downfall. The winner laughingly replied: "It was the Bock (German word for goat) in the beer." From that time it became customary to brew a special dark beer called "BOCK BEER" and place it on sale in the Spring of each year.

BOCK BEER

may be obtained on Saturday, April 7th, 1928, and thereafter until the limited supply is gone, from the Government Liquor Stores, in bottles, or on draught in any licensed place at the same price as regular beer.

Bock Beer is the BREWERS' TREAT, an exceptional brew of high-grade Beer and aged (lagered) for an unusually long period. It is a very wholesome and nutritious beverage, the highest achievement of the skilled Brew-master. Order early to make

sure of a supply.
